I. PRE-INTERVIEW FILE REVIEW (STAFF ONLY)

This section requires completion of a file review to determine whether or not the inmate/parolee (I/P) needs assistance with effective communication or has a disability which needs to be accommodated at the parole proceeding. The staff member shall print his/her name and date the form to acknowledge completion of the file review. (In revocation proceedings, the Agent must ensure either the CDCR 611 (05/01 or later) OR a Parolee Disability Review Sheet is in the field file.)

When initiating the form, it is important for the staff member to first write the I/P's name, CDCR number, the type of parole proceeding, and the institution/region/county jail where the I/P is located at the bottom of the form. **When completing this form, the staff member shall review the file for the corresponding source documents as indicated below and designated staff shall attach a copy when a verified/identified disability is noted.**

Mental Health Concerns – check this box if a CDCR 128C indicates the inmate/parolee is included in the Mental Health Services Delivery System. Circle the Level of Care and write the date of the chrono.

Developmental Disability – check this box if a CDCR 128C-2 indicates the I/P is included in the developmental disability program. He/she must be categorized in one of the following DDP categories: DD1, D1A, DD2 or DD3. Circle the appropriate code and write the date of the chrono. (If the code is NDD or DDO, do not check this box.)

Physical Disability – check this box if there is a CDCR 1845 which identifies a verified disability. Circle the appropriate disability (there may be more than one) and write the date of the CDCR 1845.

Other Disability – check this box if there is a document which states the I/P has a disability other than those identified on the forms indicated above. Write the name of the document and its date.

Learning Disability – check this box if there is a document which states the I/P has a learning disability. Write the name of the document and its date.

No Disabilities Identified from the file review. – If all of the above boxes are unchecked, check this box.

Reading Level – Check the box and write the I/P's reading level (if available) and his/her total grade point level (GPL). (If neither the reading level nor the GPL are in the file, do not check the box and write N/A.)

Non-English Speaking – If the I/P's primary language is not English, check this box and write the language he/she speaks as identified in the file review.

SPECIAL NOTE: If it has been determined in Section I an accommodation and/or interpreter is required, the employee shall provide that accommodation to the I/P prior to completing Section II. Sign language interpreters must be approved by the BPH.

II. INMATE/PAROLEE ADA RIGHTS AND SELF IDENTIFICATION

The staff member shall advise the inmate/parolee that he/she has a parole proceeding pending and the reason for the proceeding. The staff member shall read or ask the parolee to read out loud the rights statement at the beginning of this section.

The remaining portion of this section is for the inmate/parolee to disclose assistance he/she needs for the proceedings. If the parolee cannot complete this section, the staff member shall provide assistance by recording the responses given by the inmate/parolee.

III. INITIAL SERVICE OF RIGHTS (STAFF ONLY)

In this section, the staff member shall document his/her observations. The staff member shall document whether I/P appeared to understand his/her rights (described on the form handed out with the BPH 1073) and charges, if any. If after providing assistance for effective communication and the I/P still appears to have difficulty understanding, the staff member shall check the appropriate box. If an alternate method of communication is used, the staff member shall check the appropriate box and indicate the type of accommodation. Any observations from the interview the staff member believes are pertinent should be written in the "Additional Comments" portion of this Section.
