

**CALIFORNIA COUNCIL ON MENTALLY ILL OFFENDERS
2013 SURVEY SEARCH FOR BEST PRACTICES**

http://www.cdcr.ca.gov/COMIO/Best_Practices_Awards.html

The California Council on Mentally Ill Offenders (COMIO) is pleased to announce the fifth annual survey to identify and recognize outstanding California-based programs that have an impact in a positive way on the mentally ill offender population at either the State or the local correctional institutional or community level. Applicants are requested to respond to the items below in a concise manner for review by COMIO for possible recognition with a 2013 Best Practices Award Plaque and inclusion on our website as an example of a Best Practice in the State of California. **Previous winners are not eligible to apply unless a major new direction has been taken in the program.**

Interested applicants should have their completed applications submitted in an email format to Alicia.Aguilar@cdcr.ca.gov no later than January 30, 2013. Please review the Frequently Asked Questions that is attached. Other questions will be fielded through the email address listed above or by contacting Alicia Aguilar at CDCR (916) 691-6733. To review examples of past Best Practices, please see the press releases on the COMIO website at the COMIO Honors Best Practices link listed above.

To avoid disqualification, specific responses to all 16 questions should be included within no more than five pages total; however, explanatory attachments may be included but are not required. Digital photographs (.jpg or PDF files) of program activities are highly recommended with accompanying clearance forms as appropriate.

- 1) Implementing agency
- 2) Collaborative partners/providers
- 3) Title of program
- 4) Date of program inception (must be operational **minimum of 24 months** to qualify)
- 5) Objectives of program
- 6) Unique qualities of program
- 7) Selection criteria used to identify clients
- 8) Number of people served since program inception (note numbers of successes/failures)
- 9) Number of people in program at any one time
- 10) Number of staff providers
- 11) Typical length of time clients are served in program

Best Practices Survey
