**MONTHLY POPULATION  
TRENDS**

**FOR THE DIVISION OF JUVENILE JUSTICE**

**January 2011**

**IMPORTANT INFORMATION:**

Data for the monthly trends are obtained from the Offender Based Information Tracking System (OBITS) and based on the process date. The numbers reported are for the Division of Juvenile Justice (DJJ) Facility and Parole populations and do not include information on the cases currently housed in the Division of Adult Institutions – *on January 31, 2011, there were 78 such cases housed in Adult Institutions* – these are cases committed to DJJ, but have subsequently received an Adult term and have elected to be housed in an Adult Institution, based on the McPherson ruling.

Juvenile Court and Superior Court direct commitments are cases that the court has committed to the DJJ. The M and E cases are Superior Court commitments that were committed to an Adult Institution, but ordered by the Court to be housed in a DJJ Facility until their 18<sup>th</sup> or 21<sup>st</sup> birthday depending on the length of their sentence (W&I 1731.5(c) – M Cases) or State law requires that those under 18 are provided with education, available at DJJ (E Cases).

The Juvenile Parole Board has established guidelines (Title 15) for setting baseline Projected Board Dates (PBDs). These dates are established at acceptance to DJJ, based on the most recent offense. The Board Hearing category is based on the most serious offense. The PBD will never exceed the maximum sentence given by the Court. The tables reflect extensions/credits given to youth who are housed in a DJJ Facility and separate First/Re-Commitments and Parole Violators. Tables 14 through 17 are displaying data for all DJJ Facilities. Tables 18 through 25 are displaying data for each DJJ Facility individually. Youth housed in an Adult Institution (DAI) or in a Department of Mental Health Facility are reported separately in Tables 26 and 27.

The attached charts should not be compared to the Weekly Population Report due to differences in time periods and data source.
