Cancer is unlike any experience you've ever had.

Your world has suddenly changed.

Fear and confusion are normal and expected emotions.

You may feel overwhelmed and anxious about what's ahead for you.

WE CAN HELP!

- matches you with a survivor of the same or similar type and stage of cancer that you have*
- is available to all cancer patients (and their loved ones) undergoing treatment for cancer – any type of cancer at any stage
- identifies and trains survivors of all types of cancer
- is a non-profit organization that has been helping people diagnosed with cancer since 1981
- does not provide medical advice, recommend physicians or treatment facilities, or take the place of the support you get from your doctors or other healthcare professionals

FREE & CONFIDENTIAL

*If we cannot find an exact match, we will try to find the best possible fit for each patient's needs.

Q: When do I call?

A: As soon as you are ready to talk.

Q: How do I contact you?

A: Call us toll free, fax, or e-mail us. Our information is on the back of this brochure.

Q: What type of support does the Cancer Hope Network provide?

A: Confidential, one-on-one telephone discussions with one of our cancer survivors.

Q: What happens when I call?

A: We will ask you about your cancer and your specific concerns and find someone who has had the same type and stage of cancer.* They will usually call you within 48 hours.

Q: Who are your volunteer survivors?

A: Caring, compassionate people who, like you, had to deal with cancer. They have been off treatment for at least one year.
