## **FINAL STATEMENT OF REASONS:**

The Initial Statement of Reasons is incorporated by reference.

## **UPDATES TO THE INITIAL STATEMENT OF REASONS**

On February 9, 2015, the Department submitted to the Office of Administrative Law (OAL) a notice of proposed regulations concerning Inmate Credit Earning and the Milestone Completion Credit Schedule. The proposed regulations were noticed to the public on February 20, 2015, and public comments were accepted through April 17, 2015. Four comments were received during this period. A public hearing was held on April 17, at which no comments were received.

During the initial public comment period the Department added additional rehabilitative programming. The amendments to the originally proposed text and the reasons for these revisions are explained below under the heading "*Changes to the Text of Proposed Regulations Initially Noticed to the Public.*"

A renote of the amended text was distributed on April 29, 2015, to the people/organizations who provided comments during the initial public comment period, and was posted on the Department's internet website the same day. The Department accepted public comments from this date through May 22, 2015. No comments were received during this period.

## **NOTE REGARDING CDCR FORMS IN THE CALIFORNIA CODE OF REGULATIONS**

This note explains the Department's justification for incorporating forms and similar documents, including the Milestone Completion Credit Schedule, by reference rather than printing them in the California Code of Regulations. The CDCR uses over 1,500 forms, most of which are regulatory. It would be unduly cumbersome, expensive and impractical to print all these documents in the Title 15, therefore the Department has always incorporated forms and similar documents by reference, except in specific circumstances which do not apply in the case of these regulations.

The revised Milestone Completion Credit Schedule included in this rulemaking action was made available to the public for review and was included in the rulemaking notices sent to all parties who have requested notification of proposed regulations.

## **DETERMINATIONS, ASSESSMENTS, MANDATES, AND FISCAL IMPACT:**

The Department has determined that no alternative considered would be more effective in carrying out the purpose for which this regulation is proposed, or would be as effective and less burdensome to affected private persons, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law, than the action proposed.

The Department has made an initial determination that the action will not have a significant adverse economic impact on business. Additionally, there has been no testimony or other evidence provided that would alter the CDCR's initial determination.

The Department has determined that this action imposes no mandates on local agencies or school districts, or a mandate which requires reimbursement pursuant to Part 7 (Section 17561) of Division 4 of the Government Code.

The Department has determined that no reasonable alternatives to the regulation have been identified or brought to the attention of the Department that would lessen any adverse impact on affected private persons or small business than the action planned.

The Department, in proposing the adoption of these regulations, has not identified nor has it relied upon any technical, theoretical, or empirical study, report, or similar document. The Department has relied upon the results of the Economic Impact Assessment, which can be found in the Notice of Proposed Regulations and is available for review as part of the rulemaking file.

## **CHANGES TO THE TEXT OF PROPOSED REGULATIONS INITIALLY NOTICED TO THE PUBLIC - RENOTICE**

### **Section 3043. Credit Earning.**

**Subsection 3043(c)(6) is amended** to establish the new revision date of the Milestone Completion Credit Schedule to (04/15), which is incorporated by reference. The revision is necessary to include added, deleted and amended milestone completions and credits awarded for a variety of Programs and Courses available to eligible inmates.

Additionally, the Milestone Completion Credit Schedule is amended to include various program additions. These programs, such as Addiction Recovery Counseling, Victim-Offender Education Groups, and Alternatives to Violence, are adopted to provide eligible inmates with greater opportunity to participate in rehabilitative programs with the ability to earn Milestone Completion Credits upon successful completion. The added programs may provide offenders with a productive work and skill level which may allow them a greater opportunity for employment upon release thus, helping to reduce recidivism and increase public and prison safety.

### **PUBLIC HEARING COMMENTS:**

#### **A public hearing was held on April 17, 2015 at 10:00 a.m.**

No comments were received at the hearing. There was one attendee at the hearing who requested information but chose not to provide a comment.

### **SUMMARIES AND RESPONSES TO WRITTEN PUBLIC COMMENTS RECEIVED DURING THE INITIAL PUBLIC COMMENT PERIOD:**

**Commenter #1:** Commenter states the Department should “broaden the scope” of Milestone credit eligibility to include life prisoners who are making serious efforts to reform.

Accommodation: None

Response 1: Accommodating this request would require a change to Penal Code (PC), which is outside the scope of the Department’s authority. In order for an offender to be eligible for Milestone Completion Credit pursuant to Penal Code 2933.05, the offender must be eligible for credit reductions pursuant to Penal Code 2933. Offenders sentenced to life terms are ineligible for credit earning or reductions to their sentence pursuant to the above listed PC sections.

#### **Commenter #2:**

Commenter states that he is an “85%” inmate who is currently not eligible to receive Milestone Completion Credits. Commenter believes inmates with an 85% sentence should be eligible for these credits.

Accommodation: None

Response 2: Accommodating this request would require a change to Penal Code, which is outside the scope of the Department’s authority. In order for an offender to be eligible for Milestone Completion Credit pursuant to PC 2933.05, the offender must be eligible for credit reductions pursuant to PC 2933. Offenders sentenced to complete a minimum of 85% of their total term are ineligible for credit earning or reductions to their sentence pursuant to the above listed PC sections.

**Commenter #3:**

Commenter asks whether the Milestone Completion Credit Schedule has been amended “to allow for more than six weeks within a twelve-month period” (i.e., will the annual credit maximum be raised to eight weeks per twelve-month period)?

Accommodation: None

Response 3: Pursuant to Penal Code 2933.05, a prisoner may not have his or her term of imprisonment reduced more than six weeks for credits awarded pursuant to this section during any 12-month period of continuous confinement.

**Commenter #4:**

Commenter states he is a validated inmate undergoing the debriefing process and is currently in the Step Down Program. Commenter states that milestone credits should be extended to inmates who are debriefing and/or in the Step Down Program and asks that the Department amend the proposed regulations to include these inmates.

Accommodation: None.

Response 4: Pursuant to Penal Code 2933.6, a person who is placed in a Security Housing Unit for specific misconduct described in subdivision (b) or upon validation as a prison gang member or associate is ineligible to earn credits pursuant to Section 2933 or 2933.05 during the time he or she is in the Security Housing Unit for that misconduct.

**NO PUBLIC COMMENTS WERE RECEIVED DURING THE RENOTICE PUBLIC COMMENT PERIOD**

**ADDENDUM TO THE FINAL STATEMENT OF REASONS**  
**INMATE CREDIT EARNING / MILESTONE COMPLETION CREDITS**

OAL File Number 2015-0619-04S

**Non-substantive Changes Made During Office of Administrative Law Review**

Effective April 22, 2015, California Code of Regulations (CCR) Title 15, Section 3043 was amended pursuant to CCR Section 100 “Changes Without Regulatory Effect” (see OAL File No. 2015-0312-02N). This amendment was done to remove outdated provisions for which statutory authority had been repealed. Existing Subsection 3043(c)(3) and a related Reference citation to the Welfare and Institutions Code were repealed.

This amendment occurred while the Department was promulgating the current proposed regulations. The proposed regulation text should have been updated when the amended text was noticed (April 29, 2015) however the Department neglected to do so. This was a staff error. However, these amendments will have no impact on the meaning or effect of the proposed regulations and meet all criteria for “non-substantive” changes. A corrected text with Subsection 3043(c)(6) corrected to (c)(5) and without the repealed Reference citation has been added to this rulemaking file.
