DEFINITIONS AND FORMULAS

Time Served in CDCR Adult Institutions (CDCR Months): The time served in months in a CDCR institution by civil narcotic addict first releases to outpatient status whose commitment status at admission was a new admission or outpatient returnee with a new civil commitment by the courts. The time is calculated from the date of admission to a CDCR institution to the date of first release to outpatient status.

Time Served in Custody Prior to CDCR (Jail Months): This time is the sum of the time spent in non CDCR custody (primarily jail custody), in a CDCR institution for a 90-day evaluation, and in a mental facility prior to admission to CDCR.

Total Time Served on Civil Commitment (Total Months): The time served in a CDCR institution plus the time served in custody prior to admission to a CDCR institution.

Principal Offense: The controlling offense designated by the court as the base term, usually the offense that keeps the offender in custody the longest period of time.

In Date: The date an offender enters a CDCR institution. (See formula on the next page).

Out Date: The date an offender is first released to outpatient status. (See formula on the next page).

Start Date: The date the civil commitment begins. This date is used for calculating the release date from CDCR. (Note: In most cases, the Term Start Date and the In Date are the same.)

Xdays: The number of days on escape from an institution. (Note: These days are deducted from the CDCR months served.)

P1203.3: Represents time spent in CDCR custody for a 90-Day evaluation. At the time of the evaluation, the offender has not been sentenced to prison. The court is asking CDCR to evaluate the offender and make a recommendation as to the disposition of his case, e.g., probation or a commitment to state prison.

P2900.1: Credit for time spent in CDCR custody on a case for which the offender was resentenced. (For example, the case for which the offender was originally sentenced was vacated or recalled and the offender was resentenced on the same case. CDCR discharged the old case and applied the credit for time served in CDCR to the new case. CDCR can administratively grant this credit, if the court neglects to grant it.)

P2900.5: Credit granted by the court at sentencing that represents credit for time served in a non CDCR facility prior to sentencing.

DEFINITIONS AND FORMULAS

Mental Health: Credit for time served on a case for which an offender was committed to a mental health facility. If the court commits an offender to state prison as a civil narcotic addict, the time previously spent at a mental health facility is deducted from the length of the civil narcotic addict commitment.

Post Sentence: Credit for the number of days an offender spends in local custody, between the date of the court commitment and the date of arrival to a CDCR institution. CDCR administratively calculates and applies this credit.

FORMULAS FOR CALCULATING CDCR TIME AND IN CUSTODY PRIOR TO CDCR

CDCR TIME

CDCR TIME=(Out Date - In Date) - (XDAYS)

Out Date = Date of Release to Outpatient status

In Date = Date of Admission

XDAYS = Days on Escape

IN CUSTODY PRIOR TO CDCR

IN CUSTODY PRIOR TO CDCR=Sum(P2900.5, Mental Health, Post Sentence, P1203.03)

Note:

1. Because "resentenced time" is already included in calculating CDCR time, the P2900.1 credits are not included in the CDCR time formula.
2. The P2900.5 credits for a parole violator returned with a new term, whose return status at the time of admission to CDCR custody was a parole violator returned to custody (PRTC) or pending revocation (PENDREV), are included in CDCR time. If the P2900.5 credits exceed the time between the In Date and the Start Date, the remaining credits are added to the time served in custody prior to CDCR.
3. Inmates with missing offense information are not included in time served computations.
4. The means and medians for non-CDCR custody and CDCR months served may not add to the total months served due to independent calculation and/or rounding.
