DEFINITIONS

Felon New Admission: The first commitment from court for a felon.

Parole Violator Returned with a New Term (PV-WNT): A parolee who has received a court sentence for a new crime and been returned to prison.

Principal Offense: The controlling offense designated by the court as the base term, usually the offense that keeps the offender in custody the longest period of time.

First Status: The status, new admission or PV-WNT, at the time an offender enters a CDCR adult institution.

Age: The age of the offender at the time of admission.

NOTE:

1. The total admissions are based on the number of inmates received from court, who enter a CDCR adult institution during a calendar year.
2. Based upon a felon's first status, only new admissions and parole violators returned with a new term (PV-WNT) are included. Parolees, who return to CDCR with a return status of PRTC or PENDREV and, while in prison, have their return status changed to PV-WNT, are excluded.
3. Inmates who were received by CDCR and released to parole on the same day (paper moves) are not included.
4. Civil Narcotic Addicts, County Diagnostic Cases (under Penal Code Section 1203.09), some Youth Authority commitments, federal prisoners and prisoners from other states are excluded.
