To Whom It May Concern:

LEVEL II INFILL CORRECTIONAL FACILITIES PROJECT FINAL ENVIRONMENTAL IMPACT REPORT

The California Department of Corrections and Rehabilitation (CDCR) has completed the Final Environmental Impact Report (FEIR) for the Level II Infill Correctional Facilities Project (SCH No. 2012122038). The FEIR consists of a brief overview of the project and California Environmental Quality Act (CEQA) process to date, a list of persons, organizations, and public agencies who commented on the Draft Environmental Impact Report (DEIR), all comments received on the DEIR, responses to those comments, and corrections/revisions to the text of the DEIR.

In accordance with Section 15088(b) of the State CEQA Guidelines, the FEIR is being made available to all agencies that provided comments on the project and/or the analysis of the DEIR for ten (10) calendar days beginning October 28, 2013. The Department may consider certification of the FEIR and approval of the proposed Senate Bill 1022 (Statutes of 2012) infill projects immediately following the end of that period.

Although not required by CEQA, CDCR is also making the FEIR available for organizations and members of the public that provided comments during the public review period. The FEIR is available for download on the following website:

http://www.cdcr.ca.gov/FPCM/Environmental/Level_II_Infill_CF_Project.html

Reference copies of the FEIR will also be available for viewing at the CDCR offices at 9838 Old Placerville Road, Suite B in Sacramento, CA 95827.

If you have any questions or need additional information, please contact Mr. Bob Sleppy, Project Management Branch, at (916) 255-1141, or by email at CDCR_infill@ascentenvironmental.com. Correspondence should be directed to Mr. Sleppy at the California Department of Corrections and Rehabilitation, Facility Planning, Construction and Management, 9838 Old Placerville Road, Suite B, Sacramento, CA 95827.

Sincerely,
