Section 2449.75. Decision Review, is amended to read:

(a) ~~Within 30 days of the date of a final decision concerning jurisdiction or a review on the merits, the inmate may request review of the decision.~~ An inmate may request review of a jurisdictional decision issued under section 2449.2, a decision on the merits issued under section 2449.4, or a decision vacating a previous approval for release issued under section 2449.6 by submitting a written request to the board within 30 calendar days of the inmate being served the decision. The inmate's written request shall include a description of why the inmate believes the previous decision was not correct and may include additional information not available to the hearing officer at the time the previous decision was issued.

(b) The Chief Hearing Officer or an associate chief deputy commissioner may also initiate a review under this section at any time prior to the inmate's release if the previous decision contained an error of law, an error of fact, or if the board receives new information that would have materially impacted the previous decision had it been known at the time the decision was issued.

~~(c) Timing.~~ A hearing officer, associate chief deputy commissioner, or the ~~board's~~ Chief Hearing Officer, who was not involved in the original decision, shall complete a review of the decision within 30 calendar days of the board receiving receipt of the request.

~~(d)(1) The reviewing hearing officer, associate chief deputy commissioner, or the Chief Hearing Officer reviewing the previous decision shall review and consider all relevant and reliable information and issue about the inmate and shall document his or her decision in writing, either concurring with the original decision either concurring with the previous decision or overturning vacating the previous original decision and issuing a new written decision with a statement of reasons supporting the new decision.~~

(2) The inmate, any victims registered at the time of the referral, and the prosecuting agency that received notice under section 2449.2 shall be notified.

~~(d)(1) If, following parole approval, the inmate becomes ineligible under section 3491 Initial Eligibility Determination or section 3492 Public Safety Screening and Referral in division 3 of this title, the board shall vacate the decision approving parole in writing with a statement of reasons.~~

(2) The inmate, any victims registered at the time of the referral, and the prosecuting agency that received notice under section 2449.2 shall be notified.

(e) A copy of the decision shall be served on the inmate and placed in the inmate's central file within 15 business days of being issued.

(f) Within five business days of issuing a decision under this section that overturns a previous decision issued under sections 2449.4 or 2449.6, the board shall send notice of the decision to any victim who was registered at the time of the referral and any prosecuting agency or agencies that received notice under section 2449.3. Inmates who are denied release under this section shall be screened for possible referral to the board again as provided in section 3492(e) of division 3 of this title.

(g) If a decision under this section overturns a previous decision that determined the board did not have jurisdiction to review the inmate because he or she was not eligible for referral under section 2449.2, the board shall proceed with the notification process outlined in section 2449.3. The board shall also, within 60 calendar days, conduct a review on the merits under section 2449.4.

(h) Decisions under this section are not subject to the department's Inmate Appeal Process under chapter 1, article 8, division 3, of this title.

REPEAL

TIME CREDIT WAIVER (PC § 2934)

I, _____, (print name) having been committed for an offense which occurred prior to January 1, 1983, understand that conduct credit is granted to me pursuant to Penal Code § 2931. I am aware that under Penal Code § 2931 my term is reduced by one-third for good behavior and participation. Such credit reduction is granted at the time of reception into the Department of Corrections and Rehabilitation and can be taken away only for a disciplinary offense or for failure to participate in assigned activities.

I hereby waive my rights to the provisions of Penal Code § 2931. By making this voluntary waiver, I request the future Time Credit be granted pursuant to Penal Code § 2933 and, if eligible, Penal Code § 2933.05.

Penal Code § 2933 allows for every six months of continuous incarceration, a prisoner shall be awarded credit reductions from his or her term of confinement of six months. A lesser amount of credit based on this ratio shall be awarded for any lesser period of continuous incarceration. In addition to any credit awarded pursuant to Section 2933, the Department may also award eligible prisoners program credit reductions, pursuant to PC 2933.05, from his or her term of confinement.

I am aware that my credit earning status may be changed by the Department at any time. I am aware that I may be placed in zero credit earning status due to disciplinarys and gang member validation. When I am in lockup status due to a disciplinary infraction, zero credit may be applied for a period equal to the number of days of the disciplinary credit loss, this may be extended in six-month increments thereafter.

I am aware and agree that the penalties for disciplinary offenses committed by me are as follows:

Up to 360 days of credit may be denied or lost for any act specified as a division A-1 offense in section 3323(c) of the California Code of Regulations, Title 15.

Up to 180 days of credit may be denied or lost for any act specified as a Division A-2 offense in section 3323(d) of the California Code of Regulations, Title 15, or any other felony not listed as an A-1 offense.

Up to 90 days shall be denied or forfeited for commission of any misdemeanor.

Up to 30 days shall be denied or lost for any act that is a serious rules violation described in the California Code of Regulations, Title 15, unless such act is a misdemeanor or felony offense.

Up to 30 days shall be denied or lost by an inmate who is found by a court to be a vexatious litigant as defined in Section 3000 in the California Code of Regulations, Title 15.

This waiver will be effective only when accepted by the Department. I am also aware that this waiver is irrevocable.
