Office of Correctional Education

**UPDATED:** November 2017

**CONTACT:** (916) 445-8035

---

## Recreation Program

The Recreation Program offers various activities for the offender population. Activities include intramural leagues and tournaments in both team and individual sports, board games, courses on personal health and fitness, and the screening of a selection of commercially produced motion pictures.

---

**Location(s):** All Institutions.

---

**Program Length:** Recreational activities are available to offenders year-round. Intramural leagues and tournaments will have a posted schedule and vary in type and duration at each institution.

---

**Enrollment:** Approximately 45,000 offenders participate in recreation-sponsored tournaments and activities on a monthly basis.

---

**Eligibility Requirements:** Recreational activities are available to all offenders and will vary dependent upon an offender's programming status and individual needs.
