Library Services

Library services are offered at all institutions to provide offenders with an extensive collection of recreational fiction and non-fiction books, as well as reference reading materials. Reading materials may include selected periodicals, encyclopedias, selected Career Technical Education and college level textbooks, and basic literacy materials.

Additionally, legal research materials in all of the libraries are offered in digital format and provide meaningful access to the courts in accordance with all current court requirements. The libraries also offer materials to support offender rehabilitation; and include resources on employment, community reentry, and life skills.

Location(s): Library services are in all CDCR institutions.

Program Hours: Each institution has various specified library hours of operations.

Eligibility/Enrollment: Any offender may request access to library services.
