III. 2:10 PM University of California San Francisco (UCSF), San Francisco Benioff Homelessness and Housing Initiative (BHII), presentation on The California Statewide Study of People Experiencing Homelessness (CASPEH) as it relates the justice-involved population.

Recognized as the most significant investigation of its kind since the mid-1990s, the CASPEH highlights the reasons for, and far-reaching impacts of, homelessness across California. In this presentation, UCSF will provide a brief overview of this study along with a special emphasis on the experiences of the justice-involved population. If you so choose, prior to making comments, please state your name for the record and identify any group or organization you represent. Depending on the number of individuals wishing to address the Council, the Executive Officer and/or Chair may establish specific time limits on presentations.

****NOTICE****

Public Participation: The telephone lines and computer audio systems of members of the public who remote into the meeting will initially be muted to prevent background noise from inadvertently disrupting the meeting. Phone lines and computer audio systems will be unmuted during all portions of the meeting that are appropriate for public comment to allow members of the public to comment. Please see additional instructions below regarding Public Participation Procedures.

PUBLIC PARTICIPATION PROCEDURES: All members of the public shall have the right to offer comment at this public meeting. The Executive Officer will indicate when a portion of the meeting is to be open for public comment and reserves the right to limit the time for comment. Members of the public should be prepared to complete their comments within 2 minutes or less (if a different time allotment is needed), which will be announced by the Chair. Comments must pertain to the agenda item under discussion. Any member of the public wishing to comment during public comment periods must do the following:

When it is your turn to comment, you will be asked to stand at the podium to provide your public comment. Given time constraints, it is not guaranteed that all who request to speak can be accommodated. CCJBH will allow the first 5 requests for comments received to speak. Individuals following these speakers are asked to state only their opposition or support for the agenda item being discussed.
- For those attending virtually, please use the “raise hand” feature to make a comment. You will be placed in line to comment in the order in which requests are received. When it is your turn to comment, the meeting host will unmute your line and announce your name.
- CCJBH encourages groups of people who have a shared position to appoint one or more spokesperson(s) to speak for their group.
- Members of the public should be prepared to complete their comments within 2 minutes or less if a different time allotment is needed and announced by the Executive Officer.
