Subject: TEMPORARY TRAVEL AND MEETING RESTRICTIONS

This memorandum is to inform all California Department of Corrections and Rehabilitation and California Correctional Health Care Services staff of the temporary travel and meeting restrictions. In response to Novel Coronavirus (COVID-19) and an effort to minimize the number of gatherings adhering to social distancing guidelines, all travel for out of state business or in-state non-essential travel is prohibited until further notice. Headquarters and Regional staff should limit their presence at the institutions to mission critical visits only. The Director, Deputy Director, or equivalent for each program area shall determine whether in-state travel is essential.

Per the Governor’s direction, there shall be no gatherings of individuals with more than 250 people. Per the Center for Disease Control gathering of individuals who are at higher risk for severe illness from COVID-19 should be limited to no more than 10 people, while also following social distancing guidelines. Smaller meetings and gatherings that do not allow for social distancing of six feet per person shall be modified, postponed, or canceled. Additional information provided by the California Department of Public Health is available:

The program managers or supervisors shall consider using technological alternatives for meetings or gatherings. It is strongly suggested that employees utilize the following options for meetings:
