

COVID-19 VACCINE

PRIORITIES FOR CDCR/CCHCS STAFF & INCARCERATED PERSONS

PHASE 1A

- All institutional staff.
 - If vaccines are still available in allotment 1A, vaccines will be offered to non-institution staff who have or will have contact with incarcerated persons.
 - If you are a non-institution employee and do not have current/potential, frequent contact with the incarcerated population, please await further instruction on vaccine opportunities.
 - Incarcerated persons in long-term care beds, age 65+, and high-risk medical cases.
-

PHASE 1B

TIER ONE

- Non-institution employees with current/potential, frequent contact with incarcerated persons.

TIER TWO

- All incarcerated persons.
-

PHASE 1C

- All staff.
-

IMPORTANT POINTS TO NOTE

- The above are guidelines from the California Department of Public Health and may be subject to change.
- Subsequent phases will include those groups in previous phases.
