- Relief Staff/Swaps
- Voluntary & Mandatory Overtime
- Maintenance Repairs
- Conducting Tours, etc.

UNVACCINATED | PARTIALLY VACCINATED
STAFF MAKING PICK-UPS OR DELIVERIES

VACCINATION
Vaccination is required for staff who work in health care settings and is strongly recommended for all others.
Staff may request a religious exemption or reasonable accommodation for qualifying medical reason(s).
Staff may obtain no-cost COVID-19 vaccines and boosters from CDCR/CCHCS vaccine clinics. No appointment is necessary in any of these clinics.

TESTING
All unvaccinated or partially vaccinated employees in a CDCR institution/facility shall follow current testing directives at the institution.
Staff may obtain no-cost COVID-19 testing from CDCR/CCHCS testing clinic(s) at their institution/location.

MASKING
Face coverings are not required for those working in non-institutional locations, however they are still strongly recommended.
All employees who enter or work in isolation or quarantine areas should be fit-tested and wear an N95 mask at all times, with limited exceptions as with eating/drinking, sitting alone in an office, or outside and at least six feet from others.
Those who do not enter or work in isolation or quarantine areas should always wear a procedure mask while on CDCR institution/facility grounds.

QUARANTINE
Quarantine - Normal Staffing Operations
Staff identified as a close contact to a positive COVID-19 case must quarantine for seven calendar days. Upon return to work, must be asymptomatic before performing duties.

Quarantine - Contingency Staffing Operations
Staff identified as a close contact to a positive COVID-19 case but are otherwise asymptomatic may continue to report to work. BUT they must receive negative daily point-of-care tests for at least seven days. If an RDO falls within this time, those count toward the seven calendar days. If day seven is their RDO, upon return to work, must be asymptomatic before returning to duties.

Isolation
If a staff member tests positive, they must self-isolate for a minimum of 10 days and be asymptomatic prior to returning to work.

For civil service workers, refusal to comply with vaccination, booster, testing, and masking mandates may result in corrective or disciplinary action.

ALL STAFF ENTERING CDCR CORRECTIONAL INSTITUTIONS WILL COMPLETE A DAILY SELF-SCREENING FOR COVID-19 SYMPTOMS AND EXPOSURES.
