## PAROLE AGENT 007

### PAROLE AGENT SAFETY TACTICS (PAST)

#### STANDARD

All Parole Agents (PA) shall receive PAST training at least annually, in accordance with California Department of Corrections and Rehabilitation (CDCR) policy.

#### COMPONENTS

The components of this standard are as follows:

1. When confronted with a use of force scenario, PAs will be able to analyze and evaluate the situation and apply their knowledge, skills, and abilities appropriately.
2. PAs will be able to understand and apply the correct force option that complies with state and federal law and departmental policies.
3. Training will simulate real life situations within safety training guidelines.
4. Participants will perform the objectives in the approved PAST curriculum.

#### AUTHORITY

California Penal Code 13601 (a)(1)

California Penal Code 13601 (d)

#### BACKGROUND

While on duty, PAs are expected to respond effectively and professionally. When use of force is appropriate, PAs shall have the knowledge, skills, and abilities to defend themselves and others, while apprehending and arresting parolees. Proper training on the use of Parole Agent Safety Tactics (PAST) will increase professionalism and reduce the risk of injury or death.
