SECTION II - Payment Request

When completing Section II, check the appropriate reimbursement type. Select "Initial" if this is the first time you will be requesting reimbursement at this address. If this is not an initial reimbursement, select "Ongoing". For ongoing reimbursements, this form must be submitted monthly by the 10th to ensure payment by the 1st of the month. Select "Final" for the last reimbursement requested for this address. Enter the month and year for which you are requesting reimbursement. If you are requesting partial month reimbursement, enter the start and end dates as well as the number of days. The number of days is calculated by subtracting the start date from the end date and adding one. For example, December 11th through December 30th is 20 days (30-11+1=20). All receipts must include the address, monthly rental rate, date, amount paid, your name, and name of the establishment or name and signature of the landlord. If renting a shared space, reimbursement will be based on a prorated share for the housing type and address. For a mortgage, the supporting documents must include information stating which portion is the principal and interest. The housing allowance does not include taxes and insurance. If you move during the calendar month, you will need to file two forms, one for the previous address and one for the new address (change of zip code affects reimbursement rates). Reimbursement rates are subject to verification and limits established in PC 3007.05(d)(3).
