NOTICE OF APPROVAL OF CERTIFICATE OF
COMPLIANCE

Government Code Sections 11349.1 and
11349.6(d)

OAL Matter Number: 2024-0618-02

OAL Matter Type: Certificate of Compliance
Resub (CR)

This Certificate of Compliance action proposes to make permanent the emergency regulatory changes adopted in OAL File No. 2023-1004-01EON (readopted in OAL File No. 2024-0321-01EON). This action revises existing regulations related to inmate housing. Changes include consolidating the Administrative Segregation, Security Housing, and Psychiatric Services Units (ASU, SHU, and PSU) into the Restricted Housing Unit (RHU), reducing RHU terms by 50%, eliminating consecutive RHU terms, establishing set RHU terms and eliminating subjective mitigating and aggravating

factors previously used to calculate terms, eliminating the Step Down Program (SDP), increasing out-of-cell time for inmates assigned to RHU, and increasing and expanding types and amounts of authorized privileges and personal property.

OAL approves this regulatory action pursuant to section 11349.6(d) of the Government Code.

*

Restricted Custody General Population (RCGP) means living units provided as a general population housing alternative to offenders who have a substantial threat to their personal safety should they be released to the general population.

Restricted Housing Units (RHU) means specialized programming units with established placement criteria designated for incarcerated persons not suited for housing in the gGeneral pPopulation (GP). RHU include Enhanced Outpatient Program RHU, Correctional Clinical Case Management System RHU, and gGeneral pPopulation RHU. Restricted Housing Unit Maximum Release Date (RHU MRD) means the date on which a Determinate RHU term, consisting of a combination of months followed by days, expires.

*

Segregated Housing Units were specialized programming units designated for incarcerated persons not suited for housing in the General Population (GP). All Segregated Housing Units have been repurposed and renamed to Restricted Housing Units (RHU) with the same placement criteria as identified in section 3335.

Section 3336 is amended to read:

Section 3336. Administrative Review of Restricted Housing Unit Placement.

Subsection 3336(a) is amended to read:

Subsections 3336(b) through 3336(b)(1) are amended to read:

(b) An incarcerated person's restricted housing placement shall be reviewed for retention or release by staff at the level of Captain, Correctional Counselor III (CCIII), or higher on the first business day following such placement. The review shall include the incarcerated person's case factors, reason(s) for restricted housing, and an interview with the incarcerated person unless the incarcerated person refuses to participate.

(1) Administrative reviews shall not be conducted by the staff member who authorized the initial restricted housing placement.

Subsection 3336(b)(2) is amended to read:

(2) An acting Captain in an official out-of-class assignment may conduct an administrative review; however, if the acting Captain is not in an official out-of-class assignment, an Associate Warden (AW) shall conduct a subsequent review that same day. Subsection 3336(b)(3) is unchanged.

Subsection 3336(b)(4) is amended to read:

(6) If restricted housing placement is deemed appropriate, the Administrative Reviewer shall retain the incarcerated person in restricted housing and address the appropriate cell status pending the ICC hearing. If placement is based on an investigation into safety concerns and the Administrative Reviewer determines placement does not appear to be based on the incarcerated person's own misconduct, the Administrative Reviewer may grant temporary Non-Disciplinary Restricted Housing for privileges and access to property pending ICC review. The determination shall be based on a review of the circumstances of placement, including any confidential documents and an interview with the incarcerated person.

(7) The decision rendered shall be documented on the automated RHUPN (Rev. 11/23). This documentation shall include an explanation of the reason(s) for retention and the information and evidence relied upon.

Existing Section 3338 is relocated and renumbered to new Section 3342.

New Section 3338 is relocated and renumbered from existing Section 3341.5 and amended to read:

Section 3338. Suspending Restricted Housing Unit Terms.

Section 3338(a) through subsection 3338(b)(1) are amended to read:

(a) Determinate Restricted Housing Unit (RHU) Terms.

(1) ICC may commute or suspend any portion of a Determinate RHU term. Once commuted, the term shall not be re-imposed. ICC may suspend a Determinate RHU term any time it is determined an incarcerated person no longer poses a threat to the safety of any person or the security of the institution. Additionally, ICC may suspend a Determinate RHU term for purposes of inpatient medical or mental health treatment when deemed medically necessary. Any ICC action to suspend or commute a Determinate RHU term shall clearly articulate substantive justification for the decision on the automated Classification Committee Chrono (Rev. 05/19), which is incorporated by reference.

(A) ICC shall suspend any portion of a Determinate RHU term during any time the incarcerated person was not on restricted housing status.

(B) The remaining time of the suspended Determinate RHU term continues to run while the incarcerated person is no longer in restricted housing as long as the incarcerated person remains in CDCR custody. For the purposes of this provision, "CDCR custody" includes incarcerated persons out-to-court and housed in a county facility unless they are under the jurisdiction of the United States Marshals Service.

(C) The ICC action to suspend a Determinate RHU term may require CSR review for placement consideration and/or audit. ICC has the authority to release an incarcerated person to a GP within the same institution pending placement review, as appropriate. If multiple Determinate RHU terms are suspended, the Determinate RHU term with the most distant RHU MRD need only be addressed. In this circumstance, any remaining Determinate RHU terms with unexpired RHU MRDs shall be considered suspended.

(2) If an incarcerated person paroles while serving a Determinate RHU term, the remaining time on the Determinate RHU term is automatically suspended and any remaining time stayed. Any remaining Determinate RHU time shall be recalculated and assessed should the incarcerated person return to custody, so long as the incarcerated person maintains the same CDCR identification number.

(3) If an incarcerated person paroles prior to assessment of a Determinate RHU term, the ICC shall address the unresolved term should the incarcerated person return to CDCR custody with the same CDCR identification number, in accordance with section 3337.

(b) Administrative RHU terms.

(1) ICC may end an Administrative RHU term for purposes of inpatient medical or mental health treatment when deemed medically necessary.

New Subsection 3338(b)(2) is unchanged but shown for reference:

(2) ICC shall refer the case to DRB if a determination is made that an incarcerated person no longer poses a threat to the safety of any person or the security of the institution. DRB shall assess the incarcerated person's case factors and determine appropriate housing.

New Subsections 3338(b)(3) and 3338(b)(4) are amended to read:

(3) ICC shall refer the case to DRB if a determination is made that retention on Administrative RHU status is warranted. DRB shall assess the incarcerated person's case factors and disciplinary behavior and articulate the basis for the need to continue the incarcerated person on Administrative RHU status in accordance with section 3339.

(4) If an incarcerated person paroled while on an Administrative RHU term, the RHU term will be stayed. If the incarcerated person returns to CDCR custody, the Administrative RHU term will be addressed in accordance with section 3339.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Sections 2933.6, 5054 and 5068, Penal Code; *Sandin v. Connor* (1995) 515 U.S. 472; *Madrid v. Gomez* (N.D. Existing Section 3339 is repealed.

New Section 3339 is adopted to read:

Section 3339. Administrative Restricted Housing Unit Term.

(a) An incarcerated person in the following circumstances may be assessed an Administrative Restricted Housing Unit (RHU) term by the Departmental Review Board (DRB) when the DRB articulates a substantial justification for the need for RHU placement due to the incarcerated person's ongoing threat to safety and security of the institution and/or others, and the incarcerated person cannot be housed in a less-restrictive environment; and:

(1) Upon completion of a Determinate RHU term, the DRB determines the incarcerated person's case factors are such that overwhelming evidence exists supporting an immediate threat to the security of the institution or the safety of others; or

(2) The incarcerated person has a substantial disciplinary history consisting of no less than three (3) RHU/SHU terms within the past five (5) years and substantial justification for the need for continued RHU placement due to the incarcerated person's ongoing threat to safety and security of the institution and/or others exists, ~~and the incarcerated person cannot be housed in less-restrictive housing~~; or

(3) The incarcerated person is currently serving an Administrative RHU term and continued retention is required because the incarcerated person's case factors are such

that overwhelming evidence exists supporting an immediate threat to the security of the institution or safety of others, or the incarcerated person has a substantial disciplinary history consisting of no less than three (3) RHU/SHU terms within the past five (5) years.

Existing Section 3340 is relocated and renumbered to new Section 3344.

New Section 3340 is relocated and renumbered from existing Section 3337 and amended to read:

Section 3340. Classification Hearing of Restricted Housing Placements.

Subsections 3340(a) and 3340(a)(1) are amended to read:

(a) The need to retain an incarcerated person in restricted housing shall be determined by the ICC.

(1) The initial ICC hearing shall be held within ten (10) calendar days after the date the incarcerated person was initially placed in restricted housing. Voluntary extension of this time frame by the incarcerated person is not permitted.

Subsection 3340(a)(2) is unchanged but shown for reference.

(2) The incarcerated person shall be allowed at least 72 hours to prepare for the ICC classification hearing. However, the incarcerated person may waive this procedural safeguard, after the Administrative Reviewer considers the need for a Staff Assistant (SA) and the incarcerated person does not require an SA.

Subsections 3340(a)(3) through 3340(a)(6) are amended to read:

(3) In addition to a copy of the automated Restricted Housing Unit Placement Notice (RHUPN) (Rev. 11/23), which is incorporated by reference, provided to the incarcerated person at the time of placement in restricted housing in accordance with subsection 3335(c)(3), the incarcerated person shall be provided copies of all additional documentation concerning the reasons for restricted housing placement at least 24 hours prior to the ICC hearing. Confidential information pertaining to the case shall be afforded to the incarcerated person in accordance with subsection 3321(b)(3).

(4) Incarcerated persons not requiring an SA, in accordance with section 3344, may waive the 24-hour period for documentation review. Waivers shall be formally noted in the automated Classification Committee Chrono (Rev. 05/19), which is incorporated by reference.

(5) Exceptions to the incarcerated person's physical presence at the hearing shall be

permitted in accordance with subsections 3320(g) or 3375(f)(3). The reasons for any hearing conducted without the presence of the incarcerated person shall be recorded within the automated Classification Committee Chrono (Rev. 05/19).

(6) If the incarcerated person refuses or is unable to attend the hearing, a staff member shall query the incarcerated person on behalf of the ICC and convey all relevant information to the ICC to consider in making their decision, which shall be recorded within the automated Classification Committee Chrono (Rev. 05/19).

Subsection 3340(a)(7) is unchanged.

Subsection 3340(b) is amended to read:

(b) The primary purpose of the initial ICC hearing is to determine the need for continued retention in restricted housing. Consistent with the criteria set forth in section 3335, the ICC review shall be based on the documented case-specific circumstances of the automated RHUPN (Rev. 11/23) and any other disciplinary, IE report, or other available information that may impact placement. The ICC shall ensure that all applicable procedural safeguards are uniformly applied to each incarcerated person placed in restricted housing and record their findings on an automated Classification Committee Chrono (Rev. 05/19) in accordance with subsection 3375(g), including any evidence or documentation relied upon, with a copy issued to the incarcerated person.

Subsections 3340(b)(1) and 3340(b)(2) are unchanged.

Subsections 3340(c) through 3340(c)(5) are amended to read:

(c) Any incarcerated person retained in restricted housing at the initial ICC hearing shall be presented to a CSR within 30 days of the hearing date for review and approval. Subsequent ICC reviews shall proceed in accordance with the following timelines, considering any applicable projected Restricted Housing Unit Maximum Release Date (RHU MRD), as defined in section 3000, until the incarcerated person is released to the GP:

(1) At intervals of not more than 180 days: when a pending Restricted Housing Unit (RHU)-assessable Rules Violation Report (RVR) is postponed pending a court proceeding or the District Attorney (DA) decision for possible prosecution of referred cases. Restricted housing extension requests specific to pending disciplinary matters shall identify the incarcerated person's intent to postpone the disciplinary hearing, as well as the status of the pending DA referral. Upon resolution of such matters, an ICC shall review the incarcerated person's case within 14 calendar days. Incarcerated persons who have postponed their RVR pending a court proceeding or a referral to the DA shall not be retained in RHU past the anticipated projected RHU MRD unless ICC has reason to believe, based on the incarcerated person's disciplinary history and other case factors, including the existence of overwhelming evidence supporting an immediate threat to the security of the institution or the safety of others, that referral to the Departmental Review Board (DRB) is necessary for: 1) assessment of Administrative RHU status for the safety and security of the institution or persons, following the adjudication of the RVR; or 2) the

incarcerated person's safety needs will require appropriate housing determination. In these cases, a new automated RHUPN (Rev. 11/23) shall be immediately prepared and issued, clearly articulating the reasons for continued retention, in accordance with section 3335.

(2) At intervals of not more than 90 days: when a restricted housing incarcerated person is pending a GP transfer.

(3) At intervals of not more than 90 days: until a RHU-assessable RVR is adjudicated and the matter is not pending referral for prosecution. Upon resolution of such matters, an ICC shall review the incarcerated person's case within 14 calendar days.

(4) At intervals of not more than 30 days: pending completion of an investigation into the safety of any person. If the complexity of the issues (e.g., safety/enemy concerns, institutional security, serious misconduct or criminal activity) require further investigation, up to a 90-day extension may be requested. Should the completed investigation result in the issuance of an RVR and/or referral to the DA for criminal prosecution, the ICC shall review the case in accordance with the schedule set forth in subsections (1) or (3), above. Upon resolution of such matters, an ICC shall review the incarcerated person's case within 14 calendar days.

(5) At the pre-RHU MRD and at intervals of not more than 90 days: when retention is warranted due to the incarcerated person being referred to the DRB for an Administrative RHU term.

Subsections 3340(c)(6) and 3340(d) are unchanged.

Subsection 3340(e) is amended to read:

(e) Incarcerated persons in restricted housing who have an imposed RHU term, but are pending other unresolved case considerations, shall be reviewed by the ICC in accordance with section 3341.

New Subsection 3340(f) is adopted to read:

(f) RHU classification decisions, including notification of the reasons for a classification hearing, housing restrictions, and yard assignment shall be documented on the automated Classification Committee Chrono (Rev. 05/19), with a copy provided to the incarcerated person.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code; *Wright v. Enomoto*, (1976) 462 F.Supp. 397; and *Toussaint v. McCarthy* (9th Cir. 1986) 801 F.2d 1080, cert. denied, 481 U.S. 1069.

Existing section 3341 is repealed and new Section 3341 is adopted to read:

Section 3341. Imposed Restricted Housing Unit Term Classification Hearings.

(a) Restricted Housing Status Reviews. The Institution Classification Committee (ICC) shall conduct all classification hearings of restricted housing status incarcerated persons except as detailed in subsection 3376(d)(5).

(b) Incarcerated persons on Administrative Restricted Housing Unit (RHU) status shall be reviewed by an ICC for release consideration to less-restrictive housing no less frequently than every 180 days. Incarcerated persons who are retained on Administrative RHU status by an ICC shall be referred to the Departmental Review Board (DRB) on an annual basis. The DRB shall conduct an assessment of the incarcerated person's case factors and disciplinary behavior for placement in less-restrictive housing.

(1) The DRB review shall include, but not be limited to, the availability of alternative housing, demonstrated evidence of behavioral change and expressed willingness to conform to CDCR rules.

(2) If retained, the DRB shall articulate on the automated Classification Committee Chrono (Rev. 05/19), which is incorporated by reference, the basis for continued retention on Administrative RHU status in accordance with section 3339.

(c) Incarcerated persons on an imposed Determinate RHU term shall be reviewed by the ICC no less frequently than every 180 days following their initial RHU annual review, or sooner as directed by a Classification Staff Representative for release consideration.

(1) The purpose of the review is to evaluate the incarcerated person's case factors to determine if RHU continues to be the most appropriate and least restrictive placement option commensurate with any existing threat to safety and security of the institution and/or others.

(2) The ICC review shall include, but not be limited to, the availability of appropriate alternative housing, demonstrated evidence of behavioral change and expressed willingness to conform to CDCR rules.

(d) Any incarcerated person expected to be retained on RHU status beyond 360 days shall be provided an automated Restricted Housing Unit Placement Notice (RHUPN) (Rev. 11/23), which is incorporated by reference, documenting the RHU annual review, which shall be issued in accordance with section 3342, prior to the incarcerated person's RHU annual review.

(b) An SA shall be assigned if:

- (A) When an incarcerated person's restricted housing placement is for non-disciplinary reasons, the Administrative Reviewer will consider all available evidence or information relating to the validity of the reasons documented for restricted housing placement. Denial of an IE, witnesses or evidence requested by the incarcerated person shall be on the basis of legitimate penological interest and documented on the automated {RHUPN} (Rev. 11/23).
- (B) When the reason for an incarcerated person's placement in restricted housing is a serious disciplinary matter resulting in the issuance of a Rules Violation Report and/or a referral to the district attorney for criminal prosecution, the classification committee will assume the alleged misconduct or criminal activity to be factual as documented. In such cases, the services of an IE, witnesses, or additional evidence shall be reserved for the disciplinary hearing, but denied for purposes of the initial ICC.

The Administrative Reviewer shall evaluate the incarcerated person's objection(s) and, if determined to be reasonable, assign an alternate ~~IE Investigative Employee~~ to complete the investigation. If the Administrative Reviewer determines that the incarcerated person's objections are not reasonable, the original ~~IE Investigative Employee~~ shall complete the investigation. The incarcerated person's objection must be provided prior to the beginning of the investigation. The Administrative Reviewer shall note on the automated RHUPN (Rev. 11/23) the decision to deny or approve a request, and if denied, explain the reason(s) for denial.

Subsections 3344(l) through 3344(l)(2) are relocated and renumbered from existing 3340(k) through 3340(k)(2) and the text is unchanged but shown for reference.

- (1) If applicable, coordinate with the incarcerated person's assigned SA to ensure the SA is present during any questioning by the IE.
- (2) Document all effective communication efforts, as necessary; including the assistance provided consistent with the incarcerated person's disability or communication need, and the method the SA used to determine the incarcerated person understood.

Subsection 3344(l)(3) is relocated and renumbered from existing 3340(k)(3) and amended to read:

(3) Interview the incarcerated person, to include the incarcerated person's statement and any relevant questions for witnesses with first-hand knowledge of the circumstances warranting the incarcerated person's restricted housing. An IE is not subject to the confidentiality provisions of the SA in accordance with subsection 3344(e)(6) and shall not withhold any information received from the incarcerated person. The incarcerated person's submission of questions for witnesses does not preclude the IE from asking other relevant questions of the witnesses that may be of assistance to the classification committee in making decisions regarding the reason(s) for restricted housing placement.

(5) Immediately document the investigative findings in a report, including the name of the SA and, if applicable, an interpreter present during interviews; and forward the completed report to the ICC.

Subsection 3344(l)(6) is relocated and renumbered from existing 3340(k)(6) and amended to read:

(6) Provide the incarcerated person a copy of the IE report, and any non-confidential reports and information relevant to the restricted housing decision and/or restricted housing placement, within 24 hours prior to the ICC.

Subsections 3344(l)(7) and 3344(l)(8) are relocated and renumbered from existing 3340(k)(7) and 3340(k)(8) and the text is unchanged but shown for reference.

(7) Witnesses and Evidence. The authority to grant or deny the appearance of witnesses shall be reserved for the ICC.

(8) When an IE provides assistance to an incarcerated person in lieu of or in addition to that provided by an SA, the IE shall do so as a representative of the official who will conduct the classification hearing rather than as a representative of the incarcerated person.

New Section 3345 is adopted to read:

Section 3345. Restricted Housing Unit Programming Credit.

(a) Restricted Housing Unit Programming Credit (RHUPC) may be awarded to reduce time spent in restricted housing through a voluntary rehabilitative programming reward system. The RHUPC applies to incarcerated persons with projected, imposed, or re-imposed active Determinate Restricted Housing Unit (RHU) terms.

(b) For every twenty (20) hours of completed voluntary rehabilitative programming, restricted housing incarcerated persons may receive five (5) days credit off their Restricted Housing Unit Maximum Release Date (RHU MRD), not to exceed 25% percent of the set term.

(1) RHUPC are awarded in increments of not less than five (5) days.

(2) No RHUPC program hours shall be counted towards credits in other programs that were established to advance an incarcerated person's court-sentenced release date (e.g., Rehabilitative Achievement Credit, Milestone Completion Credit), except in accordance with subsection 3043.3(f)(2).

(c) The award of RHUPC requires successful participation in, and completion of, voluntary rehabilitative programs, ~~including~~ mental health group treatment, therapeutic programs, and social life skills programs. To be awarded credit, the incarcerated person shall participate in all required program activities for the duration of the program, including any subcomponents required in the curriculum for that program. Passing an exam alone shall not qualify for the award of RHUPC credit.

(d) Upon completion of any approved programming hours, staff shall have ten (10) business days to input the hours into the information technology system.

(e) RHUPC for completed hours in the information technology system shall be applied to the incarcerated person's RHU MRD at the next scheduled Institution Classification Committee, as detailed in subsections 3340(c) and 3341(b), (c), and (g).

(1) All hours awarded on a projected or imposed RHU term must be completed subsequent to placement in restricted housing for the behavior warranting that RHU MRD. Any RHUPC earned but not applied shall be forfeited upon expiration of the RHU MRD or suspension of the RHU term.

(2) If the incarcerated person has more than one established projected or imposed RHU term, the RHUPC shall be applied to the controlling projected or imposed RHU MRD.

(A) If the credit was applied on a projected, imposed, or re-imposed RHU MRD and the incarcerated person subsequently receives an additional Rules Violation Report (RVR) for a violation listed on the RHU term matrix, those credits will not be reapplied to the new projected, imposed, or re-imposed RHU MRD.

(B) If an RVR is dismissed or the administrative findings for the RVR are overturned, any credit applied to the RHU MRD for that RVR shall be applied to an existing RHU MRD if appropriate and eligible.

(3) Credit shall not be applied in an amount rendering the incarcerated person ~~inmate~~ overdue for release from restricted housing.

New Section 3346 is adopted to read:

3346. Re-Imposed Restricted Housing Unit Terms.

(a) A suspended Restricted Housing Unit (RHU) term may be re-imposed if an incarcerated person is placed in restricted housing immediately following a Rules Violation Report (RVR) for serious misconduct that occurred prior to the expiration of a previously established Restricted Housing Unit Maximum Release Date (RHU MRD). In this circumstance, the incarcerated person must be found guilty of the serious misconduct and the Institution Classification Committee (ICC) shall determine that the incarcerated person poses a threat to the safety of any person or to the security of the institution. RHU terms re-imposed based on subsequent serious misconduct shall be effective the date of the misconduct. RHU terms suspended based solely on the need for inpatient medical or mental health treatment may be re-imposed without subsequent misconduct if the incarcerated person continues to pose a threat to the safety of others or the security of the institution.

(1) If the RHU term is re-imposed, the ICC shall record the decision and the reasons for the decision on the automated Classification Committee Chrono (Rev. 05/19), which is incorporated by reference. If multiple RHU terms are eligible for re-imposition, the RHU term with the most distant RHU MRD need only be addressed. In this circumstance, any remaining RHU terms with unexpired RHU MRD's shall be considered re-imposed.

(2) Upon a guilty finding of subsequent serious misconduct, the ICC may elect to re-impose the current unexpired RHU MRD.

(b) If an incarcerated person paroles with an active Determinate RHU term and subsequently returns to CDCR custody under the same CDCR number, ICC shall evaluate the Determinate RHU term for re-imposition. Re-imposed Determinate RHU terms shall be calculated utilizing the automated RHU Term Computation Form (Rev. 11/23), which is incorporated by reference. Any unexpired RHU term shall be recalculated and addressed by ICC. If multiple CSR-approved RHU terms are eligible for re-imposition, the RHU term with the most distant RHU MRD need only be addressed. In this circumstance, any remaining RHU terms with unexpired RHU MRD's shall be considered re-imposed. ICC retains the authority to impose or suspend any remaining time based upon the safety of persons or security of the institution.

(1) If re-imposed, the RHU term shall not exceed the period of time remaining on the original RHU term at the time of parole.

(2) Re-imposition of the RHU term following return to custody shall be documented on the appropriate automated Classification Committee Chrono (Rev. 05/19).

(3) RHU terms reassessed under the provisions of this subsection shall be audited and approved by a CSR.

(c) An incarcerated person who paroles with an active Administrative RHU term and subsequently returns to CDCR custody under the same or a new CDCR number shall be addressed as follows:

(1) An incarcerated person who previously paroled with MAX custody and is returned to CDCR's custody shall be placed in RHU and afforded all procedural safeguards for restricted housing incarcerated persons. ICC shall determine if the criteria for placement on Administrative RHU status in accordance with section 3339 are met, and if so, then the incarcerated person shall be referred to the DRB.

New Section 3347 is relocated and renumbered from existing Section 3342 and amended to read:

Section 3347. Case Review.

(a) The case of every incarcerated person assigned to a restricted housing unit will be continuously reviewed and evaluated by custodial and casework staff assigned to the unit. Staff will confer on each case no less frequently than once a week during the first

two months of the incarcerated person's restricted housing status. Such case reviews will not be necessary during any week in which the incarcerated person's case is reviewed by a regular or special classification committee or by staff who are authorized to take classification actions. Any significant observations, determinations or recommendations will be documented on the incarcerated person's automated Restricted Housing Record Form (Rev. 11/23), which is incorporated by reference.

(b) Psychological Assessment. A psychological assessment of the incarcerated person's mental health will be included in the case review and classification committee review of incarcerated persons assigned to restricted housing units. When any indication of psychiatric or psychological problems exists, the case will be referred to the institution's psychiatrist or psychologist for further evaluation and recommended classification committee actions, if any.

No incarcerated person in RHU shall be required to wear clothing that significantly differs from that worn by other incarcerated persons in the unit, except that temporary adjustments may be made in an incarcerated person's clothing as is necessary for security reasons or to protect the incarcerated person from self-inflicted harm. No incarcerated person shall be clothed in any manner intended to degrade the incarcerated person.

Library services shall be provided and will represent a cross-section of material available to the general population.

(k) Telephones. Institutions shall establish procedures for the making of outside telephone calls by incarcerated persons in RHU. Such procedures will approximate those for the work/training incentive group to which the incarcerated person is assigned.

(l) Institution Programs and Services. Incarcerated persons assigned to RHU shall be permitted to participate and have access to such programs and services as can be reasonably provided within the unit without endangering security or the safety of persons. Subsection 3378.2(b) is amended to read:

(b) The validation process delineates the formal objective criteria utilized by an STG Investigator to determine an individual's affiliation with a certified or recognized STG. Each factor is determined by a weighted point system in order to conclude whether the information taken as a whole is sufficient to establish a nexus to the STG.

Validation process for identifying and documenting STG members, associates, or suspects, which are defined as follows:

Member: Any offender or any person who, based on documented evidence, has been accepted into membership by a STG. STG members will be identified by the STG Investigator through the validation process, reviewed by OCS, and affirmed by the STG Unit Classification Committee.

Initial Validation of an offender as a member requires at least three (3) independent source criteria items with a combined value of ten (10) points or greater coupled with information/behavior indicative of a member.

Validation of an offender as a member of a STG-I shall also require that at least one (1) of the criteria source items be a direct link to a current or former validated member or associate of the STG, or to an offender or any person who is validated by the Department within six (6) months of the established or estimated date of behavior identified in the evidence considered.

An upgrade from associate to member requires at least three (3) independent source criteria items, that were not previously used in a validation, with a combined value of ten

(10) points or greater coupled with at least three (3) of the items of information/behavior being indicative of a member.

Associate: Any offender or any person who, based on documented evidence, is involved periodically or regularly with the members or associates of a STG. STG associates will be identified by the STG Investigator through the validation process, reviewed by OCS, and affirmed by the STG Unit Classification Committee. Initial validation of an offender as an associate requires at least three (3) independent source criteria items with a combined value of ten (10) points or greater coupled with information/behavior indicative of an associate.

Validation of an offender as an associate of a STG-I shall also require that at least one (1) source criteria item be a direct link to a current or former validated member or associate of the STG, or to an offender or any person who is validated by the Department within six (6) months of the established or estimated date of behavior identified in the evidence considered.

Suspect: Any offender or any person who, based on documented evidence, is involved periodically or regularly with the members or associates of a STG. The STG suspect is tracked by STG Investigative staff pending validation. Suspects have attained two (2) or more points of validation and would not be officially validated but tracked for intelligence purposes. Source item information must be referred to the STG Investigator for evaluation and recorded on the CDCR Form 128-B3 (11/13), Security Threat Group Identification Score Sheet, which is incorporated by reference.

A direct link, as defined in section 3000, may be established by unilateral action by either party or by the subject's possession of any item connecting the subject to a validated STG affiliate; or for purposes of establishing a direct link, it shall not be necessary for CDCR to demonstrate that the subject had knowledge, actual or implied, of the validated STG affiliate's STG involvement.

CDCR staff shall not place incarcerated persons into a Restricted Housing Unit solely on the basis of their validation status.

INSTRUCTIONS

Purpose of CDCR 115-MH-A (Rev. 12/15) Rules Violation Report: Mental Health Assessment: Use this form to assess an inmate whose alleged behavior resulted in a CDC 115, Rules Violation Report (RVR) to determine: 1) if the inmate needs a staff assistant; 2) if symptoms of (a) mental illness and/or (b) developmental disability/cognitive or adaptive functioning deficits strongly influenced the behavior that led to the RVR; 3) if (a) mental illness and/or (b) developmental disability/cognitive or adaptive functioning deficits contributed to the behavior that led to the RVR; 4) what mental health factors and/or developmental disability/cognitive or adaptive functioning deficits should be considered when assessing the penalty; 5) for offenses that could result in a Security Housing Unit (SHU) term only, are there any mental health factors and/or developmental disability/cognitive or adaptive support deficits the Institutional Classification Committee (ICC) should consider when assessing a SHU term; and 6) for Developmental Disability Program (DDP) participants only, determine if the inmate exhibits on-going behavior leading to disciplinary infractions related to developmental disability/cognitive or adaptive functioning deficits that would be minimized by creating an intensive behavior modification plan. Complete this form for:

Inmates who are placed at the following levels of mental health care:

- Enhanced Outpatient Program (EOP)
- Mental Health Crisis Bed (MHCB) and
- Acute Psychiatric or Intermediate level of care
- DDP participants at the DD1, DD2, or DD3 level of care

These inmates shall always:

- Be assigned a staff assistant
- Receive a RVR Mental Health Assessment.

In addition, the RVR Mental Health Assessment shall be completed for:

- Correctional Clinical Case Management System (CCCMS) participants who:
 1. Committed a Division A, B or C offense.
 2. Committed an offense that may result in the assessment of a Security Housing Unit (SHU) term.
 3. Exhibited behavior at the time of the issuance of the RVR that is bizarre or unusual for any inmate, or is uncharacteristic for this inmate.
- Inmates not included in the Mental Health Services Delivery System (MHSDS) who exhibited behavior at the time of the issuance of the RVR that is bizarre or unusual for any inmate, or is uncharacteristic for this inmate.
- Inmates not included in the MHSDS who engaged in Indecent Exposure or Sexual Disorderly Conduct.

Reviewing Custody Supervisor

A CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment is initiated for any inmate in the groups listed above and whose misconduct has been documented on a RVR.

The Reviewing Custody Supervisor will complete Section I of the CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment. If the inmate meets criteria for a mental health assessment, the Reviewing Custody Supervisor shall forward the request, and a copy of the RVR as well as all supplements to the RVR, to mental health staff as soon as possible but no later than two (2) calendar days from the date information leading to the charges is discovered by staff.

Mental Health Clinician

Section I

The mental health clinician must review the CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment, Section I, completed by Custody. This information includes the inmate's name, CDCR #, housing, specific act charged, if the offense could result in a SHU term, the RVR log #, date of the violation, mental health level of care, DDP designation, reason(s) for the assessment request, date the form was sent to mental health and by whom, date the form was received by mental health and by whom, and the return date for the form. The mental health clinician will return the completed CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment to the Reviewing Custody Supervisor as soon as possible but no later than eight (8) calendar days.

Section II

Interview the inmate who is the subject of the RVR in a private setting. Indicate if the interview was conducted in a private location by checking the appropriate box and type in the date the interview occurred. If the interview was not conducted in a private setting or the inmate refused the interview, explain why.

Explain to the inmate the purpose of the interview and inform him or her that the interview is non-confidential and information obtained during the interview may be used in adjudicating the RVR. Check the appropriate box indicating disclosure of the non-confidential nature of interview was explained. If "No", explain why not.

Data sources: Review the relevant portions of the health care record and any other records (Adaptive Supports form formally known as the CDC 128 C-2, Recommendation for Adaptive Support, ERMS, SOMS, staff consultation, and/or archived files) deemed appropriate and check the corresponding boxes on the form. Relevant staff may be interviewed as appropriate and necessary.

Effective Communication: The Effective Communication section must be completed any time there is a clinically relevant encounter in which meaningful information is exchanged between the licensed clinician and the inmate. For further information and examples of some encounters in which effective communication is required, see IMSP&P, Volume 2, Ch. 4.

<p>1. Disability: a. Check all boxes that apply regarding the inmate's disability. Disability Codes: TAFE score ≤ 4.0 DPH - Permanent Hearing Impaired DPV - Permanent Vision Impaired LD - Learning Disability DPS - Permanent Speech Impaired DNH - Permanent Hearing Impaired; improved with hearing aids. DNS - Permanent Speech Impaired; can communicate in writing. DDP - Developmental Disability Program N/A - Not applicable</p>	<p>2. Accommodation: a. Check all boxes that apply to the special accommodations made to facilitate effective communication: <u>Additional time</u> - P/I (inmate) was given additional time to respond or complete a task. <u>Equipment</u> - Special equipment was used to facilitate effective communication. Note the type of equipment used in the comments section. <u>SLI</u> - Sign Language Interpreter. <u>Louder</u> - The provider spoke louder. <u>Slower</u> - The provider spoke slower. <u>Basic</u> - The provider used basic language. <u>Transcribe</u> - Communication was written down. <u>Other</u> - Any other tool that was used to facilitate effective communication.</p>	<p>3. Effective Communication: a. Check all boxes that apply that summarize how it was verified that effective communication was reached. <u>P/I asked questions</u> - The inmate asked questions regarding the interaction. <u>P/I summed information</u> - The inmate summarized information regarding the interaction. b. Check one box to indicate if effective communication was or was not reached. ONE of these boxes must be checked.</p>
<p>4. Comments: Provide any additional information regarding effective communication.</p>		

DO NOT USE JARGON OR DIAGNOSTIC TERMS. USE LAY TERMS THAT CAN BE EASILY UNDERSTOOD BY NON-MENTAL HEALTH STAFF.

Section II continued:

Question 1

1. Only answer question 1 if the inmate is either **not** a participant in the MHSDS or is in the CCCMS level of care. Are there any mental health factors that would cause the inmate to experience difficulty in understanding the disciplinary process and representing his/her interests in the hearing that would indicate the need for assignment of a staff assistant? (Do not rely on TAFE Score alone) Check the box Yes or No.

Determine the need for a staff assistant (EOP, DDP, MHCB or Acute Psychiatric or Intermediate level of care inmates are automatically assigned a staff assistant). Indicate your response by checking the appropriate Yes or No box and provide rationale for why a staff assistant is or is not needed.

Question 2

2. In your opinion, was the inmate's behavior so *strongly influenced* by symptoms of a (a) mental illness and/or (b) developmental disability/cognitive or adaptive functioning deficits that the inmate would be better served by documenting this behavior in an alternate manner? If Yes: (1) provide a rationale that establishes a nexus between mental health symptoms and/or developmental disability/cognitive or adaptive functioning deficits and the behavior; (2) consult with the Program Supervisor; and (3) consult with the Chief of Mental Health (or designee), when applicable. If No, go to Question 3.

If Yes:

- Check the "Yes" box(es) under the appropriate section (a) mental illness and/or (b) developmental disability/cognitive or adaptive functioning deficits and document your rationale in language easily understood by non-mental health staff in the first space below.
- The rationale will include a clear nexus between the mental health symptoms and/or developmental disability/cognitive or adaptive functioning deficits and the behavior.
- Complete the remainder of the assessment, through Question 6.
- Once completed, forward the CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment, to the Consulting Program Supervisor over the mental health unit the inmate was in at the time the alleged behavior occurred. The supervisor reviews the rationale provided and indicates agreement or disagreement with the assessing clinician's response by checking the appropriate box. (If the Program Supervisor over the mental health unit the inmate was in at the time the alleged behavior occurred is not available, consult with the Program Supervisor where the inmate is currently housed.)
- The supervisor shall provide his/her rationale in the space above the signature block.
- The supervisor prints name, signs and dates the form.
- If the supervisor and clinician are in agreement, the completed CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment is forwarded to custody.
- If the supervisor and clinician are not in agreement, the supervisor forwards the CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment to the Chief of Mental Health (CMH), or designee, for final determination.
- The CMH reviews the rationale provided by the assessing clinician and supervisor and indicates agreement or disagreement with the assessing clinician's response by checking the appropriate box.
- The CMH provides his/her rationale in the space above signature block and checks the Final Determination box Yes or No.
- The CMH prints name, signs and dates the form.
- The CMH forwards the completed CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment to custody within the eight (8) calendar day timeframe.

Rules Violation Report:

CDCR 115-MH-A (Rev. 12/15)

Instructions: Page 11

If No:

- If mental health symptoms and/or developmental disability/cognitive or adaptive functioning deficits did not strongly influence the behavior, mark "No" in the appropriate places and go directly to Question 3. No consultation with the Program Supervisor is necessary.

Question 3

3. In your opinion, is there evidence to suggest that (a) mental illness and/or (b) developmental disability/cognitive or adaptive functioning deficits *contributed* to the behavior that led to the RVR? If "Yes", establish a nexus between mental health symptoms or developmental disability/cognitive or adaptive functioning deficits and the behavior.

Determine if mental illness and/or developmental disability/cognitive or adaptive functioning deficits contributed to the behavior that led to the RVR and check the appropriate box "Yes" or "No" under either (a) mental illness and/or (b) developmental disability/cognitive or adaptive functioning deficits. Provide rationale for your decision. If the answer is "Yes", establish a nexus between mental health symptoms or developmental disability/cognitive or adaptive functioning deficits and the behavior. If the answer to Question 3 is "No", you still need to provide a rationale. If you indicated "Yes" to Question 2, also check "Yes" on Question 3 and provide the same or similar rationale as you did on Question 2.

Question 4

4. If the inmate is found guilty of the offense, what mental health factors and/or developmental disability/cognitive or adaptive functioning deficits should the hearing officer or senior hearing officer consider when assessing the penalty, such as penalties that may have an adverse impact on the inmate's stability? Provide your recommendation and rationale.

Examples of penalties include, but are not limited to, changes and reduction in:

- Phone calls
- Day room
- Confined to quarters
- Loss of packages
- Yard time
- Loss of appliances
- Visits (when permissible)

(Example of mandated sanctions: Violations of California Code of Regulations, Title 15, Sections 3323(c)(6), 3323(d)(8) and 3323(f)(6) shall result in loss of visits.)

Consideration of penalties can occur even if the inmate's mental health and/or developmental disability/cognitive or adaptive functioning deficits were not thought to be related to the commission of the offense. Consider what protective factors (for general decompensation, as well as self-harm) are present for this inmate and if possible what penalties would impact these protective factors. Examine what factors have contributed to decompensation in the past. Document any anticipated impact loss of privileges may have on the inmate's mental health. If loss of privileges is not thought to impact mental health, provide a brief justification.

Instructions: Page 12

Question 5

5. SHU OFFENSE ONLY (see box on pg. 1 to determine if applicable). If the inmate is found guilty of the offense, are there any mental health factors and/or developmental disability/cognitive or adaptive functioning deficits that Institutional Classification Committee should consider when assessing a SHU term?

Provide your recommendation and rationale.

Determine if the offense could result in a SHU term (the box at the top of the CDCR 115-MH-A, Rules Violation Report: Mental Health Assessment completed by custody staff contains this information). Address this question only if the "Yes" box is checked above. Mental health factors and/or developmental disability/cognitive or adaptive functioning deficits may have significant implications for the inmate's functioning while serving a SHU term. These factors must be considered. As noted in Question 4, consider protective factors and other factors that have contributed to decompensation in the past. Document any anticipated impact a SHU term may have on mental health and/or developmental disability/cognitive or adaptive functioning deficits and any recommended strategies to mitigate the anticipated impact. If a SHU term is not thought to impact mental health or developmental disability/cognitive or adaptive functioning deficits, provide a brief justification.

Question 6

6. DDP PARTICIPANTS ONLY. Does the inmate exhibit on-going behavior leading to disciplinary infractions that appears related to developmental disability/cognitive or adaptive functioning deficits? If "Yes", refer the inmate to the DDP Clinician for assistance in assessing the causes of the behavior and creating an intensive behavior modification plan. Check Yes or No and refer as needed on a CDCR 128 MH-5, Mental Health Referral Chrono.

Did you consult with the DDP Clinician? Check "Yes" or "No" and document consultation as needed on a Developmental Disabilities Progress Note.

Provide rationale.

Anytime the inmate is a participant in the DDP, the DDP Clinician will be consulted and that consultation will be documented on a corresponding Developmental Disabilities Progress Note (Progress Notes formally known as the CDCR MH-7230-L, Interdisciplinary Progress Note - Developmental Disability Program). Check "Yes" in the appropriate box. If for some reason consultation with the DDP Clinician cannot be obtained, check the "No" box and provide an explanation as to why the consultation did not occur in the space below.

Sign, date and return form to the requesting custody supervisor within eight (8) calendar days. The custody supervisor receiving the completed form shall forward to the classifying official after signing and dating the bottom of the form.
