Documents Incorporated by Reference

The Milestone Completion Credit Schedule, incorporated by reference into Section 3043.3, is amended. The “Legend” which explains the meaning of certain codes and numbers used in the Schedule, was inadvertently left off of Schedule 1 due to a clerical error. The Legend has been restored to this Schedule with the code “R7” removed, as this code is no longer relevant.

Additionally, the CDCR/CCHCS Peer Support Specialist Program (PSSP) has been added to Schedule 1. This program trains incarcerated individuals to use their shared life experiences to help others succeed in rehabilitation, recovery, and adjustment to life in prison. The program plays a pivotal role in improving wellness, reducing violence, strengthening communication, and supporting treatment and rehabilitative programs.
