DEFINITIONS

Felon New Admission: The first commitment from court for a felon.

Parole Violator Returned with a New Term (PV-WNT): A parolee who has received a court sentence for a new crime and been returned to prison.

Principal Offense: The controlling offense designated by the court as the base term, usually the offense that keeps the offender in custody the longest period of time.

First Status: The status, new admission or PV-WNT, at the time an offender enters a CDCR adult institution.

Age: The age of the offender at the time of admission.

NOTE:

1. **The total admissions are based on the number of inmates received from court, who enter a CDCR adult institution during a calendar year.**

2. **Based upon a felon's first status, only new admissions and parole violators returned with a new term (PV-WNT) are included. Parolees, who return to CDCR with a return status of PRTC or PENDREV and, while in prison, have their return status changed to PV-WNT, are excluded.**

3. **Inmates who were received by CDCR and released to parole on the same day (paper moves) are not included.**

4. **Civil Narcotic Addicts, County Diagnostic Cases (under Penal Code Section 1203.09), some Youth Authority commitments, federal prisoners and prisoners from other states are excluded.**
