

**Senate Bill 601 Counting Rules**

Counting Rule #	Category Title	Metric Title	Counting Rule
1	Number and Housing Level of Inmates	Level I	Number of male inmates assigned to a Security Level I bed on the last calendar day of the reporting month. This is a point-in-time-count as of the last day of the reporting month. Count excludes inmates on temporary release, under Community Rehabilitative Program Placements (CRPP) supervision, in an in-state contract bed (with the exception of the California City Correctional Facility), in the Department of State Hospitals (DSH), and in Out-of-State Correctional Facilities. Security Levels I-IV is only used for institutions that house male inmates. Count is not subject to future restatement or correction.
2	Number and Housing Level of Inmates	Level II	Number of male inmates assigned to a Security Level II bed on the last calendar day of the reporting month. This is a point-in-time-count as of the last day of the reporting month. Count excludes inmates on temporary release, under Community Rehabilitative Program Placements (CRPP) supervision, in an in-state contract bed (with the exception of the California City Correctional Facility), in the Department of State Hospitals (DSH), and in Out-of-State Correctional Facilities. Security Levels I-IV is only used for institutions that house male inmates. Count is not subject to future restatement or correction.
3	Number and Housing Level of Inmates	Level III	Number of male inmates assigned to a Security Level III bed on the last calendar day of the reporting month. This is a point-in-time-count as of the last day of the reporting month. Count excludes inmates on temporary release, under Community Rehabilitative Program Placements (CRPP) supervision, in an in-state contract bed (with the exception of the California City Correctional Facility), in the Department of State Hospitals (DSH), and in Out-of-State Correctional Facilities. Security Levels I-IV is only used for institutions that house male inmates. Count is not subject to future restatement or correction.

<b>11</b>	Number and Housing Level of Inmates	Condemned - Male	Number of male inmates assigned to a death row bed on the last calendar day of the reporting month. This is a point-in-time-count as of the last day of the reporting month. Count excludes male inmates in a camp, on temporary release, under Community Rehabilitative Program Placements (CRPP) supervision, in an in-state contract bed (with the exception of the California City Correctional Facility), in the Department of State Hospitals (DSH), and in Out-of-State Correctional Facilities. Count is not subject to future restatement or correction.
<b>12</b>	Number and Housing Level of Inmates	Total Number of Inmates	Total number of inmates housed in the institution on the last calendar day of the reporting month. This is a point-in-time-count as of the last day of the reporting month. Count excludes inmates on temporary release, under Community Rehabilitative Program Placements (CRPP) supervision, in an in-state contract bed (with the exception of the California City Correctional Facility), in the Department of State Hospitals (DSH), and in Out-of-State Correctional Facilities. Count is not subject to future restatement or correction.
<b>13</b>	Positions - Authorized & Vacant	Authorized	Number of authorized positions for each institution as identified in the Governor's Budget plus any subsequent current year adjustments. Count excludes medical positions within California Correctional Health Care Services (CCHCS). Count is subject to future restatement and correction.
<b>14</b>	Positions - Authorized & Vacant	Vacancies	Number of vacant positions on the last day of the reporting month. This is a point-in-time count as of the last day of the reporting month. Count excludes blanket positions and medical vacant positions within California Correctional Health Care Services (CCHCS). Count is subject to future restatement or correction.
<b>15</b>	Overtime Hours	Custody	Number of regular overtime hours worked by custody employees during the reporting month. Custody employees generally include: Correctional Lieutenant, Correctional Sergeant, and Correctional Officer. Totals are taken on the last day of the reporting month. This count is subject to future restatement or correction.

**Senate Bill 601 Counting Rules**

<b>Counting Rule #</b>	<b>Category Title</b>	<b>Metric Title</b>	<b>Counting Rule</b>
<b>16</b>	Overtime Hours	Non-Custody	Number of regular overtime hours worked by non-custody employees during the reporting month. Count excludes medical, dental and mental health employees. Totals are taken on the last day of the reporting month. This count is subject to future restatement or correction.
<b>17</b>	Overtime Hours	Dental + Mental Health	Number of regular overtime hours worked by dental and mental health employees during the reporting month. Count excludes medical employees. Totals are taken on the last day of the reporting month. This count is subject to future restatement or correction.
<b>18</b>	Overtime Hours	Total Overtime Hours	Formula: "Total Overtime Hours" equals the sum of "Custody", "Non-Custody", and "Dental+ Mental Health".
<b>19</b>	Sick Leave Hours	Custody	Number of sick leave hours used by custody employees during the reporting month. Custody employees generally include: Correctional Lieutenant, Correctional Sergeant, and Correctional Officer. Totals are taken on the last day of the reporting month. This count is subject to future restatement or correction.
<b>20</b>	Sick Leave Hours	Non-Custody	Number of sick leave hours used by non-custody employees during the reporting month. Count excludes medical, dental and mental health employees. Totals are taken on the last day of the reporting month. This count is subject to future restatement or correction.
<b>21</b>	Sick Leave Hours	Dental + Mental Health	Number of sick leave hours used by dental and mental health employees during the reporting month. Count excludes medical employees. Totals are taken on the last day of the month. This count is subject to future restatement or correction.
<b>22</b>	Sick Leave Hours	Total Sick Leave Hours	Formula: "Total Sick Leave Hours" equals the sum of "Custody", "Non-Custody", and "Dental + Mental Health"

**Senate Bill 601 Counting Rules**

Counting Rule #	Category Title	Metric Title	Counting Rule
23	Number of Deaths	Homicides	Number of inmate deaths with "homicide" recorded as the manner of death. Count is taken as of the last day of the reporting month. Count should not be considered the final determination for up to one year following the month of death. Final determination is made by the California Correctional Health Care Services' (CCHCS) Death Review Committee. This count is subject to future restatement or correction.
24	Number of Deaths	Suicides	Number of inmate deaths with "suicide" recorded as the manner of death. Count is taken as of the last day of the reporting month. Count should not be considered the final determination for up to one year following the month of death. Final determination is made by the California Correctional Health Care Services' (CCHCS) Death Review Committee. This count is subject to future restatement or correction.
25	Number of Deaths	Unexpected	Number of inmate deaths with "unexpected" recorded as the manner of death. Count is taken as of the last day of the reporting month. Count excludes homicide and suicide deaths. Count should not be considered the final determination for up to one year following the month of death. Final determination is made by the California Correctional Health Care Services' (CCHCS) Death Review Committee. This count is subject to future restatement or correction.
26	Number of Deaths	Expected	Number of inmate deaths with "expected" recorded as the manner of death. Count is taken as of the last day of the reporting month. Count excludes homicide and suicide deaths. Count should not be considered the final determination for up to one year following the month of death. Final determination is made by the California Correctional Health Care Services' (CCHCS) Death Review Committee. This count is subject to future restatement or correction.

**Senate Bill 601 Counting Rules**

<b>Counting Rule #</b>	<b>Category Title</b>	<b>Metric Title</b>	<b>Counting Rule</b>
<b>27</b>	Number of Deaths	Other	Number of inmate deaths that have no manner of death recorded as of the last day of the reporting month. Count is taken as of the last day of the reporting month. Count excludes homicide, suicide, expected, and unexpected deaths. Count should not be considered the final determination for up to one year following the month of death. Final determination is made by the California Correctional Health Care Services' (CCHCS) Death Review Committee. This count is subject to future restatement or correction.
<b>28</b>	Number of Deaths	Total	Formula: "Total" equals sum of "Homicides", "Suicides", "Unexpected", "Expected", and "Other".
<b>29</b>	Use of Force (UOF)	Total UOF Incidents	Number of documented use of force incidents pursuant to the California Code of Regulations (CCR), Title 15, Section 3268 and Department Operations Manual (DOM) Section 51020.1, Article 2 that occurred during the reporting month. Totals are taken as of the last day of the reporting month. Count excludes the number of inmates and peace officers involved in the incident. This count is subject to future restatement or correction.
<b>30</b>	Inmate Appeals - 1st Level	Appeals Received (Screened Out+ Accepted)	Formula: "Appeals Received (Screened Out+ Accepted)" equals the sum of "1st Level Appeals Screened Out" plus "1st Level Appeals Accepted". <i>Metric deactivated June 30, 2020.</i>
<b>31</b>	Inmate Appeals - 1st Level	Appeals Screened Out	Number of 1st Level non-medical appeals screened out and returned to the appellant pursuant to CCR Title 15, Division 3, and Section 3084.6 during the reporting month. This is a point-in-time count as of the last day of the reporting month. This count is subject to future restatement or correction. <i>Metric deactivated June 30, 2020.</i>

<b>48</b>	Contraband	Cellular Telephone Seizure Events	Number of cellular telephone seizure events that occurred during the reporting month. Count is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Count excludes the number of cell phones seized and the number of staff/inmates/visitors involved, if any. Count is subject to future restatement and correction.

**Senate Bill 601 Counting Rules**

Counting Rule #	Category Title	Metric Title	Counting Rule
49	Contraband	Quantity of Cellular Telephones Seized	Number of cellular telephones seized during the reporting month. Total is taken as of the last day of the month. Count includes cell phones found in the possession of a visitor, inmate, or employee, and those found elsewhere on the institution grounds. Count is subject to future restatement and correction.
50	Contraband	Cocaine Seizure Events	Number of cocaine seizure events that occurred during the reporting month. Total is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Count excludes the quantity of cocaine seized and the number of staff/inmates/visitors involved, if any. Count is subject to future restatement and correction.
51	Contraband	Quantity of Cocaine Seized (grams)	Quantity (in grams) of cocaine seized during the reporting month. Total is taken as of the last day of the month. Count includes cocaine found in the possession of a visitor, inmate, or employee, and cocaine found elsewhere on the institution grounds. Count is subject to future restatement and correction.
52	Contraband	Heroin Seizure Events	Number of heroin seizure events that occurred during the reporting month. Total is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Count excludes the quantity of heroin seized and the number of staff/inmates/visitors involved, if any. Count is subject to future restatement and correction.
53	Contraband	Quantity of Heroin Seized (grams)	Quantity (in grams) of heroin seized during the reporting month. Total is taken as of the last day of the month. Count includes heroin found in the possession of a visitor, inmate, or employee, and heroin found elsewhere on the institution grounds. Count is subject to future restatement and correction.

**Senate Bill 601 Counting Rules**

Counting Rule #	Category Title	Metric Title	Counting Rule
54	Contraband	Marijuana Seizure Events	Number of marijuana seizure events that occurred during the reporting month. Total is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Count excludes the quantity of marijuana seized and the number of staff/inmates/visitors involved, if any. Count is subject to future restatement and correction.
55	Contraband	Quantity of Marijuana Seized (grams)	Quantity (in grams) of marijuana seized during the reporting month. Total is taken as of the last day of the month. Count includes marijuana found in the possession of a visitor, inmate, or employee, and marijuana found elsewhere on the institution grounds. Count is subject to future restatement and correction.
56	Contraband	Methamphetamine Seizure Events	Number of methamphetamine seizure events that occurred during the reporting month. Total is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Count excludes the quantity of methamphetamine seized and the number of staff/inmates/visitors involved, if any. Count is subject to future restatement and correction.
57	Contraband	Quantity of Methamphetamine Seized (grams)	Quantity (in grams) of methamphetamine seized during the reporting month. Total is taken as of the last day of the month. Count includes methamphetamine found in the possession of a visitor, inmate, employee, and methamphetamine found elsewhere on the institution grounds. Count is subject to future restatement and correction.
58	Contraband	Tobacco Seizure Events	Number of tobacco seizure events that occurred during the reporting month. Total is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Count excludes the quantity of tobacco seized and the number of staff/inmates/visitors involved, if any. Count is subject to future restatement and correction.

**Senate Bill 601 Counting Rules**

<b>Counting Rule #</b>	<b>Category Title</b>	<b>Metric Title</b>	<b>Counting Rule</b>
<b>59</b>	Contraband	Quantity of Tobacco Seized (grams)	Quantity (in grams) of tobacco seized during the reporting month. Total is taken as of the last day of the month. Count includes tobacco found in the possession of a visitor, inmate, or employee, and tobacco found elsewhere on the institution grounds. Count is subject to future restatement and correction.
<b>60</b>	Contraband	Miscellaneous Seizure Events	Number of miscellaneous seizure events that occurred during the reporting month. Total is taken on the last day of the reporting month. Count includes seizure events associated with a visitor, inmate, or employee, and those that occurred elsewhere on the institution grounds. Miscellaneous includes all contraband not specifically broken out elsewhere in the report. Count is subject to future restatement and correction.
<b>61</b>	Fiscal	Institution Budget	Dollar value of the budget for the institution. Dollar value is updated based on operational need of the institution throughout the fiscal year. Count is subject to future restatement and correction.
<b>62</b>	Fiscal	Actual Expenditures	Dollar value of the actual fiscal year expenditures by the institution on the last calendar day of the reporting month and is a point-in-time value representing the fiscal year expenditures to date. Count is subject to future restatement and correction.
<b>63</b>	Modified Programs	Inmate-Days on Modified Programs	Formula: Monthly sum of the daily counts of inmates on modified programs divided by the same-day total institution total population count. Thus, if 800 inmates are on modified programs for 15 days in the reporting month and the institution's total daily population is 4,000 inmates, this equals the equivalent of 3 Days on Modified Programs for the given month (800 impacted inmates x 15 impacted days+ 4,000 total inmates = 3 days). Days on modified programs are not necessarily consecutive. The same inmate is counted each time he/she is placed on modified programs.

Counting Rule #	Category Title	Metric Title	Counting Rule
73	Rehabilitative Programs	Substance Abuse Treatment – Operational Capacity	<p>Average number of offenders that can attend Substance Abuse Treatment based on available space and/or fire restriction limitations during the reporting month. This is a point-in-time count as of the last day of the reporting month. Count includes Single and Multi-Level Substance Abuse Treatment programs. Operational Capacity is based on the number of offenders a programming location can safely hold due to fire restrictions or space limitations. Operating Capacity is reported every Friday of the reporting month and can vary week to week. Average number is a manual calculation that adds the weekly capacity numbers together divided by the number of weeks in the reporting month. Count is not subject to future restatement or correction.</p> <p><i>Metric deactivated January 1, 2020</i></p>
74	Rehabilitative Programs	Substance Abuse Treatment – Actual Enrollment	<p>Average number of inmates actively enrolled in Substance Abuse Treatment during the reporting month. This is a manual calculation that adds the number of enrolled offenders every Friday divided by the number of full weeks in the reporting month. An individual offender may be enrolled in the program multiple weeks during the reporting month. In these instances, an offender will be counted each week they are enrolled. Count includes Single and Multi-Level Substance Abuse Treatment programs. Count is not subject to future restatement or correction.</p> <p><i>Metric deactivated January 1, 2020.</i></p>
75	Rehabilitative Programs	Cognitive Behavioral Intervention, Sex Offender - Operational Capacity	<p>Average number of offenders that can attend Cognitive Behavioral Intervention based on available space and/or fire restriction limitations during the reporting month. Operational Capacity is based on the number of offenders a programming location can safely hold due to fire restrictions or space limitations. Operating Capacity is reported every Thursday of the reporting month and can vary week to week. Average number is a manual calculation that adds the weekly capacity numbers together divided by the number of weeks in the reporting month. Count is not subject to future restatement or correction.</p> <p><i>Metric language updated effective January 1, 2020.</i></p>
