### TRAINING GUIDELINES

California Department of Corrections and Rehabilitation Operations Manual (DOM) Chapter 3, Article 18, Section 32010.

#### DEFINITIONS

Training - The process whereby Department employees, either individually or in groups, participate in a formalized, structured course of instruction to acquire skills, knowledge, and abilities for their current or future job performance. These organized activities shall contain measurable learning objectives that can be evaluated in a classroom setting or in structured OJT. (32010.4)

Job-Required Training - Training designed to assure adequate performance in a current assignment. This includes orientation training made necessary by new assignments or new technology, refresher training, and training mandated by law or other State authority. (32010.4)

Job-Related Training - Designed to increase job proficiency or improve performance above the acceptable level of competency established for a specific job assignment. It prepares the employee to assume increased responsibilities in their current assignment. (32010.4)

Upward Mobility Training - Designed to provide career movement opportunity for employees within classifications or job categories designated by the Department as upward mobility classifications. Includes training to facilitate movement of employees from designated classifications into other classifications with increased career opportunities. (32010.4)

Career-Related Training - Designed to assist in the development of career potential and intended to help provide an opportunity for self-development and achievement of the Department's or State's mission and may be unrelated to a current job assignment. (32010.4)

In-Service Training (IST) - Any formal training sponsored and conducted by any State agency for the training and development of State employees. (32010.4)

On-the-Job Training (OJT) - Formal training conducted by a supervisor (or a designated employee with the required expertise under the direction of a supervisor) at the job site while the employee is working. (32010.4)

Out-Service Training (OST) - Any formal training conducted by a non-state agency, the University of California or California State University, and colleges that may be open to the public, as well as State employees, and/or private industry. Sponsoring agencies maintain control over the course content for OST. (32010.4)

Training Requirements - Training of employees shall be done during regular work hours, when possible, or on the employees' off-duty hours when necessary. Compensation for training shall comply with existing policies, law, and MOUs. Within budgetary constraints, the required training shall be provided by the Department and accomplished by the employee.

It Training is a condition of employment that all employees complete the training required for their job classification/position. Employees who fail to meet these training requirements may have their merit salary award denied or be subject to other administrative sanctions. (32010.10.1)

Orientation of Departmental Employees - All employees new to the Department, regardless of job classification, shall receive orientation training. An NEO schedule with specific course subjects shall be distributed annually. Additional subject requirements are at the discretion of the local hiring authority or Associate Director, POSED, or designee. (32010.11)

Probationary Employees - Entry-level, probationary employees of the Department shall complete the training requirements of their job classification before the end of their probationary period, or earlier, as specified. An employee who provides acceptable certification of having previously completed a requirement shall receive credit and not be required to repeat the training. Employees who fail to complete any portion of required training may be rejected on probation. Probationary employees are required to receive orientation training in addition to the requirements for certain job classifications. (32010.13)
