AUTHOR: Ting

TITLE: Peace officers: video and audio recordings: disclosure

STATUS: 9/30/2018-Chaptered by Secretary of State, Chapter 960, Statutes of 2018

SUMMARY: The California Public Records Act requires that public records, as defined, be available to the public for inspection and made promptly available to any person. Current law makes records of investigations conducted by any state or local police agency exempt from these requirements. Current law requires specified information regarding the investigation of crimes to be disclosed to the public unless disclosure would endanger the safety of a person involved in an investigation or would endanger the successful completion of the investigation. This bill would, notwithstanding the above provisions, commencing July 1, 2019, allow a video or audio recording that relates to a critical incident, as defined, to be withheld for 45 calendar days if disclosure would substantially interfere with an active investigation, subject to extensions, as specified.

The bill requires the court, upon receiving a petition, to determine, at a public hearing held after not less than 15 days' notice to the prosecution, the defense, and any victim of the offense, as specified, whether the person satisfies the specified criteria and, if so, would authorize the court, in its discretion, to resentence the person following a resentencing hearing.

Existing law makes a violation of these provisions subject to a civil penalty and makes the Labor Commissioner responsible for enforcement. Existing law states that those provisions do not limit the power of the Board of Juvenile Hearings to retain the ward on parole status for the period permitted by specified provisions governing discharge of the person from the division. This bill states that those limitations on the length of the physical confinement of a ward do not limit the power of the Board of Juvenile Hearings to discharge specified wards. TITLE: Workers' compensation: firefighters and peace officers

STATUS: 9/23/2018-Chaptered by Secretary of State, Chapter 734, Statutes of 2018

SUMMARY: Existing law specifies the time period within which various proceedings may be commenced under provisions of law relating to workers' compensation. With certain exceptions, a proceeding to collect death benefits is required to be commenced within one year from several circumstances, including, but not limited to, from the date of death if it occurs within one year from the date of injury. Existing law, for specified deceased members, including peace officers and active firefighting members, extends until January 1, 2019, the time period to commence proceedings to collect death benefits, if the proceedings are brought by, or on behalf of, a person who was a dependent on the date of death, from 240 weeks from the date of injury to no later than 420 weeks from the date of injury, not to exceed one year after the date of death for certain injuries, as specified. This bill deletes the January 1, 2019, date of repeal operation of the above-referenced extension indefinitely.

AB 183

AUTHOR: Lackey
TITLE: Bill of Rights for State Excluded Employees
STATUS: 9/6/2018-Vetoed by the Governor

SUMMARY: The current Bill of Rights for State Excluded Employees (bill of rights) prescribes various rights and terms and conditions of employment for excluded employees, defined as certain supervisory, managerial, and confidential state employees, among other specified employees. This bill would have amended the bill of rights to require the management of each state entity, as specified, on or before January 1, 2019, to develop policies for their supervisory employees regarding shift assignments, vacations, and overtime, and to meet with the supervisory employee organizations that represent the excluded employees. The bill would not have applied to the Department of the California Highway Patrol.

GOVERNOR'S MESSAGE: I am returning Assembly Bill 183 without my signature. This bill requires state agencies that operate two or more shifts per day to develop, by January 1, 2019, policies for supervisory employees around shift assignments, vacations, and overtime. This bill, however well-intentioned, would require a policy that is unduly rigid and not reflective of the different circumstances in various state offices and departments. In essence, it would limit the sound discretion of management to make necessary personnel assignments. Sincerely, Edmund G. Brown Jr.

AB 1116

AUTHOR: Grayson
TITLE: Peer Support and Crisis Referral Services Pilot Program
STATUS: 9/27/2018-Vetoed by the Governor

SUMMARY: This bill would have, until January 1, 2024, created the Peer Support and Crisis Referral Services Pilot Program. The bill would have, for purposes of the act, defined a "peer support team" as a team composed of emergency service personnel, as defined, hospital staff, clergy, and educators who have been appointed to the team by a Peer Support Labor-Management Committee, as defined, and who have completed a peer support training course developed and delivered by the California Firefighter Joint Apprenticeship Committee or the Commission on Correctional Peace Officer Standards and Training, as specified.

GOVERNOR'S MESSAGE: I am returning Assembly Bill 1116 without my signature. This bill creates a pilot peer support program for state correctional and parole officers, firefighters, paramedics, emergency medical technicians, and dispatchers. I appreciate the author's sincere attempt to address the occupational stress experienced by some of our bravest public servants. However, I believe that the scope of confidentiality afforded under this bill is too broad and fails to strike the right balance between fostering collegial trust and concealing information necessary to ensure safe and healthy workplaces. Further, peer support programs are already in place for many public safety personnel, making this narrow pilot program largely duplicative and potentially in conflict with existing programs. I would recommend that instead of new statutory provisions, the sponsors and author work with the affected agencies to improve existing programs. Sincerely, Edmund G. Brown Jr.

AB 2028

TITLE: Prisons: security assessments

STATUS: 9/10/2018-Vetoed by the Governor

SUMMARY: This bill would have required CDCR to conduct a security inspection and audit, as specified, of each facility that houses inmates at regular intervals to be determined by CDCR.

GOVERNOR'S MESSAGE: I am returning Assembly Bill 2028 without my signature. This bill requires the California Department of Corrections and Rehabilitation to conduct a security inspection and audit of all state correctional institutions, address any deficiencies found, and prepare a confidential report to the Legislature detailing the findings of the inspection. The Office of Audits and Court Compliance is tasked with conducting security audits, which began in July 2017. The Department anticipates that all 35 of its institutions will have undergone the first round of security audits by October 27, 2019, and will continue to be audited regularly thereafter. Given that these audits are ongoing, I see no reason to create a duplicative legislative mandate. If the Legislature desires additional information or updates on this process, direct briefings, as well as updates through the annual budget process are the appropriate venue. Sincerely, Edmund G. Brown Jr.

AB 2153

AUTHOR: Thurmond

TITLE: Teachers: in-service training: lesbian, gay, bisexual, transgender, queer, and questioning pupil resources

STATUS: 9/30/2018-Vetoed by the Governor

SUMMARY: Contingent upon an appropriation, this bill would have required each school operated by a school district or county office of education and each charter school to annually provide in-service training to teachers of pupils in grades 7 to 12, inclusive, and to all other certificated employees at that school, on school-site and community resources for the support of lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) pupils as well as strategies to increase support for LGBTQ pupils and thereby improve overall school climate, as specified.

GOVERNOR'S MESSAGE: I am returning Assembly Bill 2153 without my signature. This bill requires local schools to provide annual in-service training on available community and school site resources for lesbian, gay, bisexual, transgender, queer (LGBTQ) students to teachers and supporting staff of grades 7-12 students. I signed AB 827 (O'Donnell) in 2015, which required the Department of Education, as part of its compliance monitoring, to assess whether local schools have provided information to certificated staff serving of grades 7-12 on school site and community resources for LGBTQ students. Current law also requires the Department to monitor local schools to ensure the adoptions of policies prohibiting discrimination, harassment, intimidation, and bullying on the basis of sexual orientation, gender, gender identity, or gender expression. If local schools find that more training or resources on this topic is needed, they have the flexibility to use their resources as they see best. Sincerely, Edmund G. Brown Jr.

AB 2720

AUTHOR: Waldron
TITLE: Juveniles: juvenile reentry
STATUS: 9/30/2018-Vetoed by the Governor

SUMMARY: This bill would have expanded the use of Juvenile Reentry Grant Special Account funds to allow counties to use any unexpended Juvenile Reentry Grant allocation to provide rehabilitative services for reentry youth who have been discharged from the jurisdiction of the juvenile court within the prior two years. By expanding the use of continuously appropriated funds, this bill would have made an appropriation.

GOVERNOR'S MESSAGE: I am returning Assembly Bill 2720 without my signature. This bill-contingent upon future passage of a constitutional amendment- allows counties to use any unexpended Juvenile Reentry Grant allocation to provide rehabilitative services for reentry youth who have been discharged from the jurisdiction of the juvenile court within the prior two years. The 2011 Public Safety Realignment funding that this bill seeks to repurpose is constitutionally protected. While the proponents may well have creative and positive ideas for improving re-entry services for system-involved youth, these decisions under current law rest with local authorities and cannot be changed without a constitutional amendment. Sincerely, Edmund G. Brown Jr.

AB 3131

AUTHOR: Gloria
TITLE: Law enforcement agencies: military equipment: funding, acquisition, and use
STATUS: 9/27/2018-Vetoed by the Governor

SUMMARY: This bill would have required a law enforcement agency, defined to include specified state and local entities, to publish a military equipment use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined. The bill would have also imposed similar publishing requirements for the continued use of military equipment acquired prior to January 1, 2019. The bill would have required that the governing body of a law enforcement agency consider a proposed military equipment use policy at a regular meeting held pursuant to specified open meeting laws.

GOVERNOR'S MESSAGE: I am returning Assembly Bill 3131 without my signature. This bill establishes requirements that must be met before a law enforcement agency may take a number of specified actions related to the acquisition and use of "military" equipment. The list of equipment contemplated by this bill is overbroad-broader than that covered by now-repealed Executive Order 13688 which was the basis for AB 36 (Campos) in 2015, which I also vetoed. The current list not only includes items that are clearly "militaristic in style," but many that are commonly used by law enforcement and do not merit additional barriers to their acquisition. In my view this bill creates an unnecessary bureaucratic hurdle without commensurate public benefit, and I cannot sign it. Sincerely, Edmund G. Brown Jr.

The bill would also have required an employer to maintain records of requests for lactation accommodation for 3 years and to give the Labor Commission access to those records.

This bill requires employers to provide a space that meets specified standards for employees with a desire to express breast milk in private.
